

# Stake Holders Feedback Report

2017-18

Analysis of various feedbacks taken from students, parents, teachers and alumni brought forward the following issues to the notice of the leadership of the institution

- Introduction of postgraduate course in English as there is keen interest among students for this course.
- With the increase in demand for the computer based courses during admissions feedback was obtained from teachers and students to enhance the number of seats for M. Stat computers and M.P. Computers
