CIRCULAR:

Objective: Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students. Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

Ragging inside and outside the campus is illegal and is a punishable criminal offense under law. Government College for Women (A), Guntur, encourage students to attend Counselling through various committees established to prevent ragging.

Description: Discussion forum with 'YOUNG HO....' Joining Group of Faculty

Discussed Points :

- The Fun faces cruelty – Ragging should be abolished in college
- Ragging a Punishable offense should be explained thoroughly to all students
- Rules on Ragging in Law displayed in various important points in college
- Faculty as observers, student representatives in every class as informers to anti Ragging Compliant Boxes on Ragging should be placed in important points in college campus and hostel.

Attendance: 511 students & 10 Faculty

Outcome: Students are made aware about ragging.
