Objectives: Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has

ruined careers of thousands of bright students, the practice is still perceived by many as a way of ‘familiarization’ and an ‘initiation into the real world’ for young college-going students. Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

Ragging inside and outside the campus is illegal and is a punishable criminal offense under law. Government College for Women (A), Guntur, encourage students to attend Counselling through various committees established to prevent ragging. Later Anti-Ragging Pledge was taken.

Description: Recourse Person Guntur one town S.I Srinivasa Rao explained the Law against Ragging in Colleges.

Attendance: 673 students & 10 Faculty

Outcome: Students are made aware about ragging.
