CIRCULAR:

Objective: Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of ‘familiarization’ and an ‘initiation into the real world’ for young college-going students. Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

Ragging inside and outside the campus is illegal and is a punishable criminal offense under law. Government College for Women (A), Guntur, encourage students to attend Counselling through various committees established to prevent ragging.

Description: Disha App and Ragging Consequences addressed by Hon. Home Minister Smt. M. Sucharitha. **Hon. Home Minister Mrs. Sucharita** said there are Disha and SOS apps for the protection of students. **Telugu Academy President Dr. Lakshmi Parvati** said that girl students should study in a happy atmosphere, that means ragging should be

opposed in your college. **Mrs. Vasireddy Padma, President of the Women's Commission**, said that you can contact the Women's Commission for any problems you may have. College **Principal Dr. V.R. Jyotsna Kumari** It is proudly announced that till now not a single case of ragging has been registered in our college.

Attendance: 757 students & 10 Faculty

Outcome: Students are made aware about ragging.
