Education." It is planned to organise a two-day faculty development programme on quality aspects in NAAC accreditation process.	Organised on MAY - 05 & 06 – 2023.
It is proposed to encourage students to apply for NGO & CSR scholarships.	72 Students have applied and received scholarships worth 10,17,985/- from NGOs like Bommidala foundation, Samarthanam trust, Alana foundation, Sitaram Jindal Foundation.
It is planned to guide and motivate staff members for active participation in FDPs and contribute to research publication.	Staff have participated in FDPs and brought out some publications.
Planned to conduct an induction/ orientation programme for the first-year students.	Induction programme was conducted for the first years.
It is planned to motivate and instruct the departments to offer value added certificate courses during 2022-2023, so that the student's academic performance gets strengthened.	Following departments offered these value added certificate courses 1. English –"A Certificate Course in Developing Reading Skills", 2. Botany - "Taxonomy and Lichens". 3. Home Science- "Sports Nutrition" 4. Bio Chemistry- "Fundamentals of Bioinformatics" 5. Telugu- "Telugu Bhasha-Sanketikatha".
It is planned to add content focussing on cross cutting issues, employability, skill development, entrepreneurship in the syllabus of courses for strengthening the curriculum along the vision mission of the college and document the same specifically in the BOS documents.	The departments have focussed on the suggested aspects and documented the same in BOS documents to strengthen teaching, and learning.
It is planned to suggest to departments to introduce innovative critical assessment to strengthen quality of teaching learning evaluation.	Depts of English and Mathematics have introduced Practical assessment of Skills in Semester End Examination. Computer science has assessed the certificate Course only practically without any written examination.
As part of examination reforms in the autonomous system it is suggested that all the core courses should follow a predefined question paper pattern in weightage and choice along with adequate allocation to all the levels of Blooms learning domains.	This is implemented and has been ensured that all the core courses have a uniformity in assessment without disparities and undue advantage or disadvantage to the students of any programme or course. The uniformity ensures the observation of UGC guidelines that all the units of a course must be assessed. This reform is approved by both Academic Council and Governing Body of the College.
