FEEDBACK ANALYSIS FROM STAKEHOLDERS ON CURRICULUM AND TRANSACTION 2022-23

Government College for Women (A) stands as a radiant symbol of empowerment, steadfast in its mission to nurture comprehensive growth through a curriculum that seamlessly intertwines academic brilliance with indispensable employability skills.

By ardently soliciting input from its students, esteemed alumni, discerning employers, and erudite faculty, the college diligently ensures the perpetual elevation of its educational benchmarks. At the helm of this endeavor lies the Institutional Quality Assurance Cell (IQAC), orchestrating a proactive strategy that entails the meticulous collection of insights via online feedback forms, readily accessible on the institution's website.

This collaborative endeavor, centered on the refinement of the curriculum, epitomizes the institution's unwavering dedication to evolving in harmony with the dynamic aspirations of its community. Each feedback received serves as a potent catalyst for ongoing refinement, reaffirming the college's resolute commitment to the relentless pursuit of educational eminence and beyond.

This information is announced to students in regular meetings / through Public Audio system of the college/ announcing in Assembly / through whatsapp groups of classes.

- The link to the feedback form is placed in college website and is also circulated to the teachers through the college whatsapp group.
- The feedback is also collected from alumni through whatsapp on important curricular aspects by forwarding the feedback link.
- The IQAC, Academic Council, and Departmental Boards enhance the curriculum based on stakeholder feedback.

Course Code: BA-STAT111-2

Observations

- A majority of the students have rated the course Statistics as excellent in all parameter (47%) and Very Good (30%) and for most of the parameters.
- 74 % of the students rated excellent for announcement of course outcomes and 83 per cent for understandability of syllabus.

- 17 per cent stated satisfactory for all parameters.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work. Teachers should find the reasons from the 17 per cent for being just satisfied and improve on those aspects.

Department of Statistics

Programme: B.A

Title of the Course: Statistical Methods

Semester: III

Course Code:BA-STAT110-3

Observations

- A majority of the students have rated the course Statistics as excellent in all parameter (43%) and Very Good (29%) for most of the parameters.
- 50 % of the students rated excellent for depth and usefulness of course content, quality of internal assessment and use of ICT. .
- 14% rated it not satisfactory regarding depth, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and applicability and relevance to real life situation and employability of the course. And Applicability and relevance to real life situation

Recommendations

- Students seem to be reasonably satisfied with the course. But there are parameters which were rated as not satisfactory and teachers are recommended to take up necessary action on those parameters.

Department of Statistics

Programme: B.A

Title of the Course: Statistical Inference

Semester: IV

Course Code: BA-STAT110-4

Observations

- A majority of the students have rated the course Statistics as excellent in all parameter (41%) and Very Good (19%) and for most of the parameters.
- 25 % of the students rated the course just satisfactory while another 5% were not satisfied.

Recommendations

- Overall students were satisfied with the course. But some of the students were not satisfied to that extent. So, teach must try to make it more appealing to the students.

Department of Statistics

Programme: B.A

Title of the Course: Applied Statistics

Semester: IV

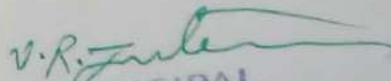

Course Code: BA-STAT110-5

Observations

- A majority of the students have rated the course Statistics as excellent in all parameter (28%). 26 % of the students found the course satisfactory while 35 % felt it satisfactory and 26 % is good. 5% rated not satisfied.

Recommendations

- Overall, the satisfactory levels of students are identified as less. Teachers need to emphasise on the needs of students and teach accordingly.

FEEDBACK COMMITTEE REPORT-
2022-23

Department: Mathematics

FEEDBACK FORM ON COURSE:

Q1: Provision of syllabus & announcement of course outcomes

Q2: Depth & usefulness of the course content

Q3: Comprehension level & understandability of the units in the course

Q4: Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills)

Q5: Clarity and relevance of textual and reference material

Q6: Additional inputs offered

Q7: Quality of Internal Assessment

Q8: Use of Learning Management System/ICT for quality enhancement

Q9: Adequate lab facilities & hands on experience and library facilities

Q10: Applicability and relevance to real life situation and employability of the
course

Q11: Overall rating

Received
for
file

Department: Mathematics

Subject: Mathematics

Paper: 1

Title of the course: Differential Equations

Semester: 1

Course code: MAT301-1

Observations

- About 26% of students have rated **Differential Equations** as Excellent, 38 % as very good and 26 % as good for most of the parameters assessed.
- 65 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- Only 1 % of the students expressed not satisfactory about Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), Quality of Internal Assessment and Applicability and relevance to real life situation and employability of the course

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics

Subject: Mathematics

Paper: 2

Title of the course: Solid Geometry

Semester: II

Course code: MAT301-2

Observations

- About 36 % of students have rated **Solid Geometry** as Excellent, 28 % as very good and 11 % as good for most of the parameters assessed.
- 84 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- 0 % of the students expressed not satisfactory about Comprehension level & understandability of the units in the course. Additional inputs offered and relevance to real life situation and employability of the course.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to Provision of syllabus & assessment of course outcomes, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical Thinking and Critical Thinking skills), the adequate lab facilities, hands on experience and library facilities and also additional inputs offered, so that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics

Subject: Mathematics

Paper: III

Title of the course: Abstract Algebra

Semester: III

Course code: MAT301-3

Observations

- About 38% of students have rated **Abstract Algebra** as Excellent, 38 % as very good and 17 % as good for most of the parameters assessed.
- 74 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- Only 1 % of the students expressed not satisfactory about Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), Quality of Internal Assessment and Applicability and relevance to real life situation and employability of the course

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics
Subject: Mathematics
Paper: 4
Title of the course: Real analysis
Semester: IV
Course code: MAT301-4

Observations

- About 43 % of students have rated **Real Analysis** as Excellent, 32 % as very good and 17 % as good for most of the parameters assessed.
- 75 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- Only 2 % of the students expressed not satisfactory about Comprehension level & understandability of the units in the course, Additional inputs offered and relevance to real life situation and employability of the course.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to Provision of syllabus & announcement of course outcomes, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics

Subject: Mathematics

Paper: 5

Title of the course: Linear Algebra

Semester: IV

Course code: MAT301-5

Observations

- About 47 % of students have rated **Linear Algebra** as Excellent, 35 % as very good and 12 % as good for most of the parameters assessed.
- 80 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- Only 3 % of the students expressed not satisfactory about Comprehension level & understandability of the units in the course, Additional inputs offered and relevance to real life situation and employability of the course.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to Provision of syllabus & announcement of course outcomes, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics

Subject: Mathematics

Paper: 6 A

Title of the course: Numerical Methods with Lab

Semester: V

Course code: MAT 301-6A

Observations

- About 30 % of students have rated **Numerical Methods with Lab** as Excellent, 41 % as very good and 22 % as good for most of the parameters assessed.
- 73 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- 3 % of the students expressed not satisfactory about Provision of syllabus & announcement of course outcomes, Clarity and relevance of textual and reference material and Adequate lab facilities & hands on experience and library facilities of the course

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the adequate lab facilities, hands on experience and library facilities. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics
Subject: Mathematics
Paper: 7 A
Title of the course: Python
Semester: V
Course code: MAT 301-7A

Observations

- About 37% of students have rated **Python** as Excellent, 43 % as very good and 13 % as good for most of the parameters assessed.
- 63 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- 3 % of the students expressed not satisfactory about Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), Quality of Internal Assessment and additional inputs offered of the course.
- 7 % of the students expressed not satisfactory about Adequate lab facilities & hands on experience and library facilities

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

Department: Mathematics

Subject: Mathematics

Paper: 6 B

Title of the course: Vector Calculus

Semester: V

Course code: MAT 301- 6B

Observations

- About 40 % of students have rated **Vector Calculus** as Excellent, 18 % as very good and 24 % as good for most of the parameters assessed.
- 53 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- 7 % of the students expressed not satisfactory about Comprehension level & understandability of the units in the course, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), Quality of Internal Assessment and Applicability and relevance to real life situation and employability of the course.
- 8 % students expressed not satisfactory about Provision of syllabus & announcement of course outcomes and Adequate lab facilities & hands on experience and library facilities.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will be able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

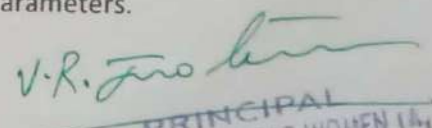

Department: Mathematics
Subject: Mathematics
Paper: 7 B
Title of the course: Integral Transforms with Applications
Semester: V
Course code: MAT 301- 7B

Observations

- About 34 % of students have rated **Integral transforms with Applications** as Excellent, 29 % as very good and 23 % as good for most of the parameters assessed.
- 64 % students expressed depth & usefulness of the course content and syllabus carries learning values (in terms of knowledge, concepts, skills, logical thinking and critical thinking skills) as excellent and very good.
- 5 % of the students expressed not satisfactory about Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills), Quality of Internal Assessment and Applicability and 7 % about the relevance to real life situation and employability of the course.
- 10 % of the students expressed not satisfactory about Provision of syllabus & announcement of course outcomes.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and look in to the Provision of syllabus & announcement of course outcomes, the adequate lab facilities, hands on experience and library facilities and also additional inputs offered. So that the students will able to understand the applicability and relevance to the real-life situations and employability of the course and take the necessary actions for all the above parameters.

FEEDBACK ANALYSIS – 2022 - 23

Department: Chemistry
Subject: Chemistry
Paper :-1
Semester: 1-Inorganic and physical Chemistry
Course Code: CHE106-1

OBSERVATIONS:

- From the over all result of the table, it is observed the 79% of the students have learn **Inorganic and physical chemistry** as Excellent(12%), Very Good (27%) , Good (40%) or most of the parameters assessed.
- Over all 16% of the students have expressed satisfactory rating.
- 5% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry
Subject: Chemistry
Paper :-2
Semester: II
Paper-II Organic & General chemistry
Course Code: CHE2303

OBSERVATIONS:

- From the over all result of the table, it is observed the 96% of the students have learn Organic and General chemistry as Excellent(36%), Very Good (28%) , Good (32%) or most of the parameters assessed.
- Over all 3% of the students have expressed satisfactory rate as Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities.
- 1% of the students have expressed not satisfactory rate in parameters of Comprehension level & understandability of the units in the course.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry Subject: Chemistry
Paper : 3
Semester: III- Organic chemistry and spectroscopy
Course Code: CHE306-3

OBSERVATIONS:

- From the over all result of the table, it is observed the 100% of the students have rated Organic chemistry and spectroscopy as Excellent(43%) , Very Good (25%) & Good(23%)for most of the parameters assessed.
- Over all 6% of the students have expressed satisfactory rating.
- Only 4% of the students have expressed not satisfactory.

Recommendations :

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry Subject: Chemistry
Paper : 4
Semester: IV
Paper-4-Inorganic ,Organic and Physical chemistry Course Code: CHE430-3

OBSERVATIONS:

- From the over all result of the table, it is observed the 97% of the students have rated Inorganic ,Organic and Physical chemistry as Excellent(55%) ,Very Good (33%) & Good(9%)for most of the parameters assessed.
- Over all 3% of the students have expressed satisfactory rate in parameters as Comprehension level & understandability of the units in the course and Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Recommendations :

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry Subject: Chemistry

Paper : 5

Semester: V

Paper-5-Inorganic and Physical chemistry Course Code: CHE530-3

OBSERVATIONS:

- From over all result of the table, it is observed the 95% of the students have rated Inorganic and Physical chemistry as Excellent(64%) ,Very Good (26%) & Good(5%)for most of the parameters assessed.
- Over all 5% of the students have expressed satisfactory rate in parameters as Comprehension level & understandability of the units in the course and Use of Learning Management System/ICT for quality enhancement and applicability and relevance to real life situation and employability of the course respectively.

Recommendations : Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Comprehension level & understandability of the units in the course, Use of Learning Management System/ICT for quality enhancement and applicability and relevance to real life situation and employability of the course respectively.

Department: Chemistry

Semester:-V

Paper :-6A-Synthetic Organic chemistry

Course Code: CHE5066A

OBSERVATIONS:

- From the over all result of the table, it is observed the 93% of the students have rated Synthetic organic chemistry as Excellent(25%) , Very Good (21%) & Good(34%)for most of the parameters assessed.
- Over all 10% of the students have expressed satisfactory rating.
- 10% of the students have expressed not satisfactory.

Recommendations : Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry

Semester:-V

Paper :-7A

- Analysis of Organic compounds

Course Code: CHE506-7

OBSERVATIONS:

- ☐ From the over all result of the table, it is observed the 93% of the students have rated Synthetic organic chemistry as Excellent(38%) , Very Good (20%) & Good(28%)for most of the parameters assessed.
- ☐ Over all 5% of the students have expressed satisfactory rating.
- ☐ 9% of the students have expressed not satisfactory.

Recommendations : Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry
Paper :- 6D
Semester: -V- Environmental chemistry
Course Code: CHE5067A

OBSERVATIONS:

- ☐ From the over all result of the table, it is observed the 93% of the students have rated Synthetic organic chemistry as Excellent(53%), Very Good (18%) & Good(11%) for most of the parameters assessed.
- ☐ Over all 6% of the students have expressed satisfactory rating.
- ☐ 2% of the students have expressed not satisfactory.

Recommendations :

Majority of the students are satisfied with all the above parameters assessed, by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

Department: Chemistry
Subject: Chemistry
Paper :- 7D
Semester: -V- Greenchemistry & Nanotechnology
Course Code: CHE5067D

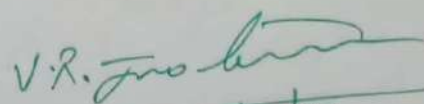

OBSERVATIONS:

- ☐ From the over all result of the table, it is observed the 93% of the students have rated Synthetic organic chemistry as Excellent(58%), Very Good (14%) & Good(12%) for most of the parameters assessed.

Recommendations :

Majority of the students are satisfied with all the above parameters assessed, by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively.

FEEDBACK COMMITTEE REPORT – 2022- 23

Department: Chemistry P.G SEM-I
Subject: Chemistry
Paper: I, SEM-I
Title of the Course: Inorganic chemistry- I
Course Code: R22CHI1

Observations

- 85% of the students have rated **Inorganic and physical chemistry Course** as Excellent(22%) Very Good (14%) & Good (49%) for most of the parameters assessed.
- 22% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of **Learning values** (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and Comprehension level & understandability of the units in the course.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Syllabus covers all the aspects of knowledge, application, and creation to the course and Clarity and relevance of textual and reference material.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Department: Chemistry
Subject: Chemistry
Paper:II
Title of the Course: Organic chemistry-1
Semester: I
Course Code: R22CH12

Observations

- 87% of the students have rated **Organic and General chemistry Course** as Excellent (22%) Very Good (27%) & Good (38%) for most of the parameters assessed.
- 11% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of **Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) ***
- 2% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of **Adequate lab facilities & hands on experience.**

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment and use of LMS/ICT for quality enhancement So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:III

Title of the Course: Foundation for Chemistry

Semester: I

Course Code: R22CH13

Observations

- 86% of the students have rated **Foundation for chemistry Course** as Excellent (13%) Very Good (28%) & Good (45%) for most of the parameters assessed.
- 12% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Quality of Internal Assessment and Use and Learning Management System/ICT for quality enhancement .
- 2% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Provision of syllabus & announcement of course outcomes and additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment and use of LMS/ICT for quality enhancement So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: IV
Title of the Course: Paper-IV(Elective-A)-Physical chemistry
Semester: I
Course Code: R22CH14B

Observations

- 86% of the students have rated **physical chemistry Course** as Excellent(13%)Very Good (28%) & Good (45%) for most of the parameters assessed.
- 11% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Use of Learning Management System/ICT for quality enhancement and Quality of Internal Assessment.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: I SEM-II

Title of the Course: Physical chemistry- II

Course Code: R22CH21

Observations

- 85% of the students have rated **Physical chemistry-II Course** as Excellent(22%) Very Good (14%) & Good (49%) for most of the parameters assessed.
- 12% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of **Learning values** (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and Comprehension level & understandability of the units in the course.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Syllabus covers all the aspects of knowledge, application, and creation to the course and Clarity and relevance of textual and reference material.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Comprehension level & understandability of the units in the course. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Department: Chemistry
Subject: Chemistry
Paper: II
Title of the Course: Organic chemistry-II
Semester: II
Course Code: R22CH22

Observations

- 78% of the students have rated **Organic chemistry IICourse** as Excellent (21%) Very Good (24%) & Good (33%) for most of the parameters assessed.
- 15% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Provision of syllabus & announcement of course outcomes and depth & usefulness of the course content.
- 7% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and adequate lab facilities & hands on experience.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment and use of LMS/ICT for quality enhancement and adequate lab facilities & hands on experience. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:III

Title of the Course: Paper-III-Essential lab techniques for industry

Semester: II

Course Code: R22CH13

Observations

- 82% of the students have rated **Paper-III-Essential lab techniques for industry Course** as Excellent (13%)Very Good (27%) & Good (42%) for most of the parameters assessed.
- 10% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Quality of Internal Assessment and Use and Learning Management System/ICT for quality enhancement .
- 8% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Provision of syllabus & announcement of course outcomes and additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment and use of LMS/ICT for quality enhancement So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:IV

Title of the Course: Paper-IV Inorganic chemistry

Semester: II

Course Code: R22CH24A

Observations

- 82% of the students have rated **physical chemistry Course** as Excellent(5%)Very Good (27%) & Good (50%) for most of the parameters assessed.
- 10% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Use of Learning Management System/ICT for quality enhancement and Quality of Internal Assessment.
- 8% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Subject: Chemistry SEM-3

Paper: I

Title of the Course: Paper-1-Organic spectroscopy (CH301T)

Course Code: CH301T

Observations

- 95% of the students have rated **Paper-1-Organic spectroscopy (CH301T)** as Excellent(2%) Very Good (52%) & Good (41%) for most of the parameters assessed.
- 5% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Clarity and relevance of textual and reference material and applicability and relevance to real life situation and Employability of the course.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Clarity and relevance of textual and reference material and applicability and relevance to real life situation and Employability of the course of the units in the course. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:II Semester: III

Title of the Course: -Organic synthesis and reaction mechanism (CH302 T O)

Course Code: CH302T O

Observations

- 97% of the students have rated **Paper-II-Organic synthesis and reaction mechanism Course** as Excellent (1%) Very Good (53%) & Good (43%) for most of the parameters assessed.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and additional inputs offered . So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:III

Title of the Course: ~~Paper-III~~Alkaloids terpenoids,quinones and penothiazines (CH303T O)

Semester: III

Course Code: CH303T O

Observations

- 95% of the students have rated **Paper-III-Alkaloids terpenoids,quinones and penothiazines** Course as Excellent (18%)Very Good (30%) & Good (47%) for most of the parameters assessed.
- 5% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Learning Management System/ICT for quality enhancement and additional inputs offered

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Internal Assessment and use of LMS/ICT for quality enhancement So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:IV

Title of the Course: Paper-IV Chemistry of Natural products

Course Code: (CH304 T O)

Observations

- 97% of the students have rated **Paper-IV Chemistry of Natural products Course** as Excellent(51%)Very Good (20%) & Good (26%) for most of the parameters assessed.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Provision of syllabus & announcement of course outcomes.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with Provision of syllabus & announcement of course outcomes. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

SEM-IV

Paper: I

Title of the Course: Paper-1-Organic spectroscopy (CH401T O)

Course Code: CH401TO

Observations

- 94% of the students have rated **Organic spectroscopy (CH401T O) Course** as Excellent(4%) Very Good (45%) & Good (45%) for most of the parameters assessed.
- 5% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Clarity and relevance of textual and reference material and Additional inputs offered and Quality of Internal Assessment of the units in the course.
- 1% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Additional inputs offered.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of Learning values and Comprehension level & understandability of the units in the course. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Semester: IV

Paper: II

Title of the Course: Paper-II-Organic synthesis and reaction mechanism (CH402T O)

Course Code: CH402T O

Observations

- 100% of the students have rated **Paper-II-Organic synthesis and reaction mechanism (CH402T O) Course** as Excellent (19%) Very Good (51%) & Good (30%) for most of the parameters assessed.

Recommendations

- All students are satisfied with all the above parameters.

Paper: III

Title of the Course: Paper-III-Chemistry of antibiotics and drugs (CH403T O)

Semester: IV

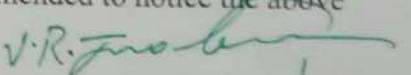

Course Code: CH403T O

Observations

- 97% of the students have rated **Paper-III-Chemistry of antibiotics and drugs Course** as Excellent (24%) Very Good (59%) & Good (14%) for most of the parameters assessed.
- 3% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of **depth & usefulness** of the course content, Comprehension level & understand-ability of the units in the course.

Recommendations

Majority of the students are satisfied with all the above parameters, a very few students have some issues with the use of **depth & usefulness** of the course content, Comprehension level & understand-ability of the units in the course, So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper:IV

Title of the Course: Paper-IV-Advanced organic chemistry-(CH404 T O)

Course Code: (CH404 T O)

Observations

- 94% of the students have rated **Advanced organic chemistry Course** as Excellent(70%)Very Good (15%) & Good (14%) for most of the parameters assessed.
- 1% of the students have expressed either satisfactory rating or below the threshold rating for the assessed parameter of Clarity and relevance of textual and reference material.

Recommendations

- Majority of the students are satisfied with all the above parameters, few are issues with Clarity and relevance of textual and reference material, So the department is recommended to notice the above observations and take necessary actions for the above parameters.

FEEDBACK COMMITTEE REPORT – 2022- 23

FEEDBACK FORM ON COURSE:

- Q1: Provision of syllabus & announcement of course outcomes *
- Q2: Depth & usefulness of the course content.
- Q3: Comprehension level & understandability of the units in the course *
- Q4: Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) *
- Q5: Clarity and relevance of textual and reference material *
- Q6: Additional inputs offered *
- Q7: Quality of Internal Assessment
- Q8: Use of Learning Management System/ICT for quality enhancement *
- Q9: Adequate lab facilities & hands on experience and library facilities*
- Q10: Applicability and relevance to real life situation and employability of the course*
- Q11. Overall rating

Department: Computer Science

Programme: B.Voc Software Development

Title of the Course: PROBLEM SOLVING TECHNNIQUES

Semester: I

Course code:SD501

Observations:

- About 99% of the students have rated 'Problem Solving Techniques' as Excellent (65%), as Very Good (26%) and Good(8%) for most of the parameters assessed
- 0% of the students have expressed as either satisfactory.
- 1% of the students have expressed as not satisfactory

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters,

Department : Computer Science
Programme: B.Voc Software Development
Title of the Course: Graphic Designing
Semester: I
Coursecode:SD501-2

Observations:

- About 100% of the students have rated 'Graphic Design' as Excellent (73%), as Very Good (27%) and Good(0%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameter.

Department: Computer Science
Programme: B.Voc Soft ware Developoment
Title of the Course: Programming in C
Semester: I
Coursecode:SD501-3

Observations:

- About 100% of the students have rated 'Programming in C' as Excellent (71%), as Very Good (28%) and Good(1%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Financial Accounting
Semester: I
Coursecode: SDFA501

Observations:

- About 100% of the students have rated 'Financial Accounting' as Excellent (66%), as Very Good (16%) and Good (18%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Operating systems
Semester: II
Coursecode: SD502-6

Observations

- A majority of the students have rated the course Excellent (64%) Very Good (22%) of Good (5%) for most of the parameters. 1% of the students rated the course as not satisfied

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Internet&Webtechnology
Semester: II
Coursecode:SD502-4

Observations

- A majority of the students have rated the course ;Internet&webtechnology as Excellent(80%) Very Good (11%) for most of the parameters.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Datastructure using C
Semester: II
Coursecode:SD502-5

Observations

- A majority of the students have rated the course Datastructure using C as excellent in all parameter (77%) and Very Good (12%) and for most of the parameters.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Office automation tools
Semester: II
Coursecode:OAT502-2

Observations:

- A majority of the students have rated the course Office automation tools as excellent in all parameter (61%) and Very Good (18%) and for most of the parameters.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Software Engineering
Semester: III
Coursecode:SD501-7

Observations:

- About 92% of the students have rated 'Software Engineering' as Excellent (40%), as Very Good (36%) and Good(16%) for most of the parameters assessed.
- 7% of the students have expressed as either satisfactory.
- 1% of the students have expressed as not satisfactory

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course:Python
Semester: III
Coursecode:SD501-8

Observations:

- About 95% of the students have rated 'Python' as Excellent (47%), as Very Good (34%) and Good(15%) for most of the parameters assessed.
- 3% of the students have expressed as either satisfactory.
- 2% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Php and Spl
Semester: III
Coursecode:SD501-9

Observations:

- About 97% of the students have rated 'Php and Spl' as Excellent (31%), as Very Good (34%) and Good(32%) for most of the parameters assessed.
- 3% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course:Object oriented program
Semester: IV
Coursecode:SD501-14

Observations

- A majority of the students have rated the course "object oriented program" as excellent (14%) or very Good (35 %) for most of the parameters
- 34 % rated good
- 14% of the students were rated satisfied

Recommendations:

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Cloud computing
Semester: IV
Coursecode: SD501-11

Observations

- A majority of the students have rated the course cloud computing as Very Good (55%) of Good (27%) for most of the parameters.
- None of the students rated the course as not satisfied even in a single parameter.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Software project management
Semester: IV
Coursecode: SD501-12

Observations

- A majority of the students have rated the course software project management as Very Good (55%) of Good (27%) for most of the parameters.
- None of the students rated the course as not satisfied even in a single parameter.

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Opensource Webtechnology
Semester: IV
Coursecode: SD501-10

Observations

- A majority of the students have rated the course Opensource webtechnology as excellent (39%) or very Good (39 %) for most of the parameters
- 23% rated good .

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence.

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: R.Programming
Semester: IV
Coursecode: SD501-13

Observations

- A majority of the students have rated the course R.Programming as excellent (22%) or very Good (17 %) for most of the parameters
- 13% rated good .

Recommendations

- Students seem to be well satisfied with the course and the teachers can keep up their good work and walk towards excellence

Department: Computer Science
Programme: B.Voc Software Development
Title of the Course: Software Development
Semester: V
Coursecode: SD501-17A

Observations:

- About 90% of the students have rated 'Software Development' as Excellent (21%), as Very Good (35%) and Good (34%) for most of the parameters assessed.
- 10% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department of Computer Science
Programme: B.Voc Software Development
Title of the Course: Information security
Semester: V
Coursecode: SD501-18A

Observations:

- About 88% of the students have rated 'Information Security' as Excellent (33%), as Very Good (21%) and Good (33%) for most of the parameters assessed.
- 12% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department of Computer Science
Programme: B.Voc Software Development
Title of the Course: Mobile app development
Semester: V
Coursecode: SD501-19A

Observations:

- About 93% of the students have rated 'Mobile App Development' as Excellent (25%), as Very Good (20%) and Good (48%) for most of the parameters assessed.
- 7% of the students have expressed as either satisfactory.
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

Department of Computer Science
Programme: B.Voc Software Development
Title of the Course: System Administration and Maintenance
Semester: V
Coursecode:SD501-20A

Observations:

- About 89% of the students have rated 'System Administration and Maintenance' as Excellent (26%), as Very Good (18%) and Good(45%) for most of the parameters assessed.
- 11% of the students have expressed as either satisfactory. • 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed.
- The department is recommended to notice the above observations and take necessary actions for all the above parameters

FEEDBACK COMMITTEE REPORT – 2022- 23

Department: Computer Science

Subject: Data Science

Title of the Course: Maths for Data Science

Semester: I

Course Code: DS1320

Observations:

- Out of 76% of the students, 37% have rated Data science-1 as **Excellent, Very Good -28% & Good-11%** for most of the parameters assessed.
- 24% of the students have expressed their **Satisfactory and not Satisfactory** levels.

Recommendations:

- The majority of the students are satisfied with all the above parameters.
- It is recommended to maintain the quality and try to improve the parameters which are less satisfied, So, the department is recommended to notice the above observations and take necessary actions for the above parameters.

Department: Computer Science

Subject: Data Science

Title of the Course: DATA SCIENCE-II

Semester: II

Course Code: DS308-2

Observations:

- A majority of the students have rated the Data Science-II as **Excellent(42%), Very Good (21%).**
- (5%) as **Good** and 8% rated as **Satisfied**.
- None of the students rated the course as not satisfied even in a single parameter.

Recommendations:

- All the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

Department: Computer Science
Subject: Data Science
Title of the Course: Big Data Technology
Semester: III
Course Code: DS308-3

Observations:

- Out of 84% of the students 26% have rated DS - 308 - 3 as **Excellent**, 36%-**Very Good** & 25%-**Good** for most of the parameters assessed.
- 16% of the students have expressed their **Satisfactory & Not Satisfactory** levels.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

Department: Computer Science
Subject: Data Science
Title of the Course: DATA SCIENCE-IV
Semester: IV
Course Code: DS308-4

Observations:

- A majority of the students have rated the course Data Science-IV either excellent (28%) or very Good (15 %) for most of the parameters.
- 33 % rated as good and 19% rated satisfactory.
- All the students are satisfied with the course.

Recommendations:

- All the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

Department: Computer Science
Subject: Data Science
Title of the Course: DATA SCIENCE-V
Semester: IV
Course Code: DS308-5

Observations:

- The students have rated the course Data Science-V as Excellent (28%), Very Good (15%) & Good (41%) for most of the parameters.
- 13% of the students rated the course as satisfied & 4% rated it as not satisfied.

Recommendations:

- Most of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

Department: Computer Science

Subject: Data Science

Title of the Course:

Semester: V

Course Code: DS308-6B

Observations:

- Out of 71% of the students -17% have rated Data science-1 as **Excellent**, **Very Good** -31% & **Good**-23% for most of the parameters assessed.
- 24% of the students have expressed their **Satisfactory & Not Satisfactory** levels.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

Department: Computer Science

Subject: Data Science

Title of the Course: Big Data Technology

Semester: V

Course Code: DS308-7

Observations:

- Out of 100% of the students 89% have rated DS - 308 - 3 as **Excellent**, 11%-**Very Good** & for most of the parameters assessed.

Recommendations:

- All the students are satisfied with all the above parameters. The department is recommended to maintain the quality and take necessary actions for the all above parameters.

- 4% of the students have expressed as not satisfactory

Recommendations

- Majority of the students are satisfied with all the above parameters assessed. The department is recommended to notice the above observations and take necessary actions for all the above parameter

Department of Computer Science
Programme: B.VOC Multimedia
Title of the Course: IV-MM501-14 STORY BOARD DESIGN
Semester: IV

Observations:

- About 98% of the students have rated 'IV-MM501-14 STORY BOARD DESIGN' as Excellent (52%), as Very Good (17%) and Good (17%) for most of the parameters assessed.
- 13% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory

Recommendations

- Majority of the students are satisfied with all the above parameters assessed. The department is recommended to notice the above observations and take necessary actions for all the above parameter

Department of Computer Science

Programme: B.VOC Multimedia

Title of the Course: V-MM502-16A-Facial and blend modes

Semester: V

Observations:

- About 100% of the students have rated 'Facial and blend modes' as Excellent (70%), as Very Good (24%) and Good (6%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department of Computer Science

Programme: B.VOC Multimedia

Title of the Course: V-MM502-17A-Maya live integration

Semester: V

Observations:

- About 100% of the students have rated 'Maya live integration' as Excellent (82%), as Very Good (12%) and Good (6%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Most of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department of Computer Science
Programme: B.VOC Multimedia
Title of the Course: V-MM502-18A-Film making
Semester: V

Observations:

- About 100% of the students have rated 'Film making' as Excellent (75%), as Very Good (19%) and Good (6%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Most of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department of Computer Science
Programme: B.VOC Multimedia
Title of the Course: V-MM502-18A-Lighting and Rendering
Semester: V

Observations:

- About 100% of the students have rated 'Lighting and Rendering' as Excellent (87%), as Very Good (7%) and Good (6%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Most of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department of Computer Science
Programme: B.VOC Multimedia
Title of the Course: V-MM502-19A-SFX dynamics
Semester: V

Observations:

- About 100% of the students have rated 'SFX dynamics' as Excellent (69%), as Very Good (31%) and Good (0%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Most of the students are satisfied with all the above parameters assessed, by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department of Computer Science
Programme: B.VOC Multimedia
Title of the Course: V-MM502-21A-Project
Semester: V

Observations:

- About 100% of the students have rated 'Project' as Excellent (85%), as Very Good (15%) and Good (0%) for most of the parameters assessed.
- 0% of the students have expressed as either satisfactory
- 0% of the students have expressed as not satisfactory.

Recommendations:

- Most of the students are satisfied with all the above parameters assessed, by noticing the observations made on each parameters specify the department is recommended to maintain Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement and Adequate library facilities respectively

Department : Physics

Subject: Physics

Semester : 1

Paper 1: mechanics waves & oscillations

Course code-PHY302-1

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 38% ,very good 36%, good 17% for most of the parameters assessed.
- Over all 9% of the students have expressed satisfactory
- 0% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Department:Physics

Subject :physics

Paper:2 Wave optics

Sem 2:

Paper code:PHY302-2

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 54% ,very good 43%, good 6% for most of the parameters assessed.
- Over all 1% of the students have expressed satisfactory
- 0% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Department:Physics

Subject :physics

Paper:3 Thermodynamics

Sem 3:

Paper code:PHY302-3

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 41% ,very good 35%, good 17% for most of the parameters assessed.
- Over all 4% of the students have expressed satisfactory
- 3% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Department:Physics

Subject :physics

Paper:4 electricity magnetism & electronics

Sem 4:

Paper code:PHY302-4

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 48% ,very good 37%, good 10% for most of the parameters assessed.
- Over all 6% of the students have expressed satisfactory
- 0% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Department:Physics

Subject :physics

Paper:4 Modern physics

Sem 4:

Paper code:PHY302-5

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 51% ,very good 33%, good 6% for most of the parameters assessed.
- Over all 6% of the students have expressed satisfactory
- 4% of the students have expressed not satisfactory.

Recommendations:

Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Subject :physics

Paper:6 Low temperature physics & refrigeration

Sem 5:

Paper code:PHY302-6B

Observations :

- From the over all result of the table, it is observed the 100% of the students have learn Mechanics waves & oscillations as excellent 41% ,very good 35%, good 17% for most of the parameters assessed.
- Over all 4% of the students have expressed satisfactory
- 3% of the students have expressed not satisfactory.

Recommendations: Majority of the students are satisfied with all the above parameters assessed ,by noticing the observations made on each parameters specify the department is recommended to maintain provision of syllabus & announcement of course outcomes , use of learning management system /ict for quality enhancement adequate library facilities respectively.

Subject :physics

Paper:7 Solar energy and its applications

Sem 5:

FEEDBACK COMMITTEE REPORT – 2022-23

Department: Botany
Subject: Horticulture
Paper: I

FEEDBACK FORM ON COURSE:

- Q1: Provision of syllabus & announcement of course outcomes.
- Q2: Depth & usefulness of the course content.
- Q3: Comprehension level & understandability of the units in the course.
- Q4: Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills).
- Q5: Clarity and relevance of textual and reference material.
- Q6: Additional inputs offered.
- Q7: Quality of Internal Assessment.
- Q8: Use of Learning Management System/ICT for quality enhancement.
- Q9: Adequate lab facilities & hands on experience and Library facilities
- Q10: Applicability and relevance to real life situation and employability of the course
- Q11: Overall rating.

Paper: I
Title of the Course:
Semester: I
Course Code:

Observations

- About 68% of the students have rated **Horticulture** as Excellent & 17% as Very Good for most of the parameters assessed.
- 3% students has expressed satisfactory and below the threshold rating for Provision of syllabus & announcement of course outcomes, Depth & usefulness of the course content and Comprehension level & understandability of the units in the course.

Recommendations

- Majority of the students are satisfied with all the above parameters. Still the department is recommended to maintain the Provision of syllabus & announcement of course outcomes, Depth & usefulness of the course content and Comprehension level & understandability of the units in the course to reach all needs of the students.

Paper: II
Title of the Course:
Semester: II
Course Code:

Observations

- About 71.4% of the students have rated **Horticulture** as Excellent & 19.8% as Very Good for most of the parameters assessed.
- 25% students has expressed good and satisfactory rating for Depth & usefulness of the course content Additional inputs offered Quality of Internal Assessment of the units in the course.

Recommendations

- Majority of the students are satisfied with all the above parameters. Still the department is recommended to maintain the Provision of syllabus & announcement of course outcomes, the course to reach all needs of the students.

FEEDBACK COMMITTEE REPORT-2022-23

Department: Zoology
Subject: Aquaculture
Technology

Paper: -1

Semester-I-Basic Principles of Aquaculture

Course Code: AT 406-1

OBSERVATIONS:

- From the overall result of the table, it is observed that 97% of the students have learnt Basic Principles of Aquaculture as Excellent(39%), Very Good(22%), Good(36%) for most of the parameters assessed.
- Overall 2% of the students have expressed satisfactory rating.
- 2% of the students have expressed not satisfactory.

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the same quality and strive for the benefit of the students.

Department: Zoology
Subject: Aquaculture
Technology

Paper:-2

Semester: II-Biology of Fin Fish and Shell Fish

Course Code: AT 406-2

OBSERVATIONS:

- From the overall result of the table, it is observed that 97% of the students have learnt “**Biology of Fin fish and Shell fish**” as Excellent(27%), Very Good(31%), Good(35%) for most of the parameters assessed.
- Overall 7% of the students have expressed satisfactory rating.
- 1% of the students have expressed not satisfactory which is negligible

Recommendations: Majority of the respondents are satisfied with the course.

Some of the students have rated satisfactory rating for some of the parameters like additional inputs offered, Syllabus carries learning

values and the department is recommended to concentrate on the above parameters where the respondents are less satisfied.

Department: Zoology
Subject: Aquaculture
Technology

Paper: -3

Semester: III – Fish Nutrition & Feed
Technology

Course Code: AT 406-2

OBSERVATIONS:

- From the overall result of the table, it is observed that 98% of the students have learnt Fish Nutrition and Feed Technology as Excellent(43%), Very Good(23%), Good(32%) for most of the parameters assessed.
- Overall 1% of the students have expressed satisfactory rating.
- 1% of the students have expressed not satisfactory.

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the same quality for the benefits of the students.

Department: Zoology
Subject: Aquaculture
Technology

Paper: -4

Semester: IV - Fresh water and brackish water Aquaculture
Course Code: AT 406-4

OBSERVATIONS:

- From the overall result of the table, it is observed that 98% of the students have learnt "**Fresh water and Brackish water aquaculture**" as Excellent(44%), Very Good(55%), Good(1%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course.

None of the students have expressed satisfactory /below satisfactory rating which is a positive aspect of the course.

It is recommended to maintain the same quality for the benefits of the students.

Department: Zoology
Subject: Aquaculture
Technology

Paper: -5

Semester: IV – Fish Health Management and Fisheries
Economics

Course Code: AT 406-6A

OBSERVATIONS:

- From the overall result of the table, it is observed that 100% of the students have learnt “**Fish Health Management and Fisheries Economics**” as Excellent(35%), Very Good(59%), Good(6%) for most of the parameters assessed.
- None of the students have satisfactory rating/below satisfactory rating

Recommendations: Majority of the respondents are satisfied with the course.

None of the students have expressed satisfactory /below satisfactory rating which is appreciable.

It is recommended to maintain the same quality for the benefits of the students.

Department: Zoology
Subject: Aquaculture
Technology

Paper: -6

Semester: V- Marine Biology
Course Code: AT 406-6A

OBSERVATIONS:

- From the overall result of the table, it is observed that 83% of the students have learnt **Marine Biology** as Excellent(34%), Very Good(29%), Good(20%) for most of the parameters assessed.
- Overall 11% of the students have expressed satisfactory rating.
- 6% of the students have expressed not satisfactory.

Recommendations: Majority of the respondents are satisfied with the course.

17% of the students expressed satisfactory /not satisfactory rating for the some of the parameters like Depth and Usefulness of the course content, Comprehension level, Additional inputs offered etc.

Hence the department is advised to concentrate more on the above parameters.

Department: Zoology
Subject: Aquaculture
Technology

Paper: -7 Marine Fisheries

Semester: V

Marine Fisheries

Course Code: AT 406-7A

OBSERVATIONS:

- From the overall result of the table, it is observed that 81% of the students have learnt **Marine Fisheries** as Excellent(27%), Very Good(35%), Good(19%) for most of the parameters assessed.
- Overall 8% of the students have expressed satisfactory rating.
- 11% of the students have expressed not satisfactory.

Recommendations: Majority of the respondents are satisfied with the course.

19% of the students expressed satisfactory /not satisfactory rating for the some of the parameters like Depth and Usefulness of the course content, Additional inputs offered, Quality of Internal Assessment etc.

Hence the department is advised to improve in the above parameters..

Feedback Analysis 2022-23
Consolidation report
of
Dept of Homescience

Name of the Dept: Dept of Homescience

Semester: I

Programme Code: HSC 410

Paper Number: 1

Title of the paper- Basic Nutrition

Paper code- I -HS 410-1

Observations- From the overall result of the table, it is observed that the 90 percent of the respondents expressed excellent and very good (45%) each for all the parameters followed by satisfactory (10%) for lab facility usage when considering each parameter specifically

Recommendations: Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain the use of lab facilities etc

Name of the Dept: Dept of Homescience

Semester: I

Programme Code: HSC 410

Paper Number: 2

Title of the paper- Human Physiology

Paper code- I -HS 410-2

Observations-

From the overall, it is observed that half of the respondents expressed excellent (50%) and very good 50%) for all the parameters assessed. Whereas, comprehension level & understand ability of the units in the course and lab facilities are observed threshold below by considering each parameter specifically.

Recommendations: Majority of the students satisfied with all the parameters assessed, by noticing the observations made on each parameter specifically the department is recommended to maintain comprehension level & understand ability of the units in the course and adequate lab facilities respectively.

Name of the Dept: Dept of Homescience

Semester: I

Programme Code: HSC 410

Paper Number: 3

Title of the paper- Food Microbiology

Paper code- I -HS 410-3

Observations-

From the overall, it is observed that 99 percent of the respondents expressed excellent (82%) and very good (18%) for all the parameters assessed.

Recommendations:

Majority of the students satisfied with all the parameters assessed, by noticing the observations made and the department is recommended to maintain the same.

Name of the Dept: Dept of Homescience

Semester: II

Programme Code: HSC 410

Paper Number: 4

Title of the paper- Food Science

Paper code- I -HS 410-4

Observations-

From the overall, it is observed that 78 percent of the respondents expressed excellent and very good (22%) for all the parameters assessed. Whereas, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills are observed to be improved considering each parameter specifically.

Recommendations: Majority of the students satisfied with all the parameters assessed, by noticing the observations made on each parameter specifically the department is recommended to maintain the learning values to be carried out in the syllabus

Name of the Dept: Dept of Homescience

Semester: II

Programme Code: HSC 410

Paper Number:5

Title of the paper- Fundamentals of Family Nutrition Paper
code- I -HS 410-5

Observations-

From the overall result of the table, it is observed that the 75 percent of the respondents expressed excellent and very good and good (12.5%) each for all the parameters when considering each parameter in specific.

Recommendations:Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain the same.

Name of the Dept: Dept of Homescience

Semester: II

Programme Code: HSC 410

Paper Number:6

Title of the paper- GROWTH & DEVELOPMENT DURING LIFE SPAN

Paper code- I -HS 410-6

Observations-

From the overall, it is observed that 89 percent of the respondents expressed excellent and very good (11%) for all the parameters assessed . Whereas, Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills are observed to be improved considering each parameter specifically.

Recommendations:

Majority of the students satisfied with all the parameters assessed, by noticing the observations made and the department is recommended to maintain the maintain the learning values to be carried out in the syllabus

Name of the Dept: Dept of Homescience

Semester: III

Programme Code: HSC 410

Paper Number:7

Title of the paper- Nutritional Biochemistry

Paper code- I -HS 410-7

Observations-

From the above table, the overall category results indicated that the 95 percent of the respondents expressed excellent (59%), very good (27%) and good (9%) for all the parameters followed by satisfactory (5%) for learning management system and ICT, adequate lab facilities etc. when each of the parameter is assessed specifically.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain learning management system and ICT, adequate lab facilities etc.

Name of the Dept: Dept of Homescience

Semester: III

Programme Code: HSC 410

Paper Number:8

Title of the paper- Housing & Interior Decoration

Paper code- I -HS 410-8

Observations-

From the above table, the overall category results indicated that the 100 percent of the respondents expressed excellent (63%), very good (14%) followed by good (23%) for all the parameters assessed respectively.

Recommendations:

A vast majority of the students satisfied with all the parameters assessed, hence the department is satisfied with the results and decided to continue the same.

Name of the Dept: Dept of Homescience

Semester: III

Programme Code: HSC 410

Paper Number:9

Title of the paper- Extension Education & Rural Development

Paper code- I -HS 410-9

Observations-

From the above table, the overall category results indicated that the 100 percent of the respondents expressed excellent (62%), very good (29%) followed by good (10%) for all the parameters assessed respectively.

Recommendations:

A vast majority of the students satisfied with all the parameters assessed, hence the department is satisfied with the results and decided to continue the same.

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number:10

Title of the paper- DIET THERAPY

Paper code- I -HS 410-10

Observations-

From the above table, the overall category results indicated majority of the respondents expressed excellent (86%) followed by very good (14%) for all the parameters assessed respectively.

Recommendations:

A vast majority of the students satisfied with all the parameters assessed, hence the department is satisfied with the results and decided to continue the same.

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number:11

Title of the paper- DIET COUNSELLING

Paper code- I -HS 410-11

Observations-

From the above table, the overall category results indicated majority of the respondents expressed excellent (60%) followed by very good (40%) for all the parameters assessed respectively. From the overall data analysis, comprehension level & understandability of the units in the course, additional inputs and use of ICT are the observations need to be improved when all the parameters are taken in to consideration

Recommendations:

A vast majority of the students satisfied with all the parameters assessed, hence the department is comprehension level & understandability of the units in the course, additional inputs and use of ICT are the observations need to be improved

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number:12

Title of the paper- COMMUNITY NUTRITION

Paper code- I -HS 410-12

Observations-

From the above table, the overall category results indicated majority of the respondents expressed excellent (76%) followed by very good (24%) for all the parameters assessed respectively.

Recommendations:

A vast majority of the students satisfied with all the parameters assessed, hence the department is satisfied with the results and decided to continue the same.

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number:13

Title of the paper- **FOOD PRESERVATION**

Paper code- I -HS 410-13

Observations-

From the above table, the overall category results indicated that the 77 percent of the respondents expressed excellent followed by very good (23%) for all the parameters whereas, for syllabus that carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and additional inputs were need to be improved after the each parameter data analysis in specific.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made the department is recommended for inclusion of additional inputs and learning values.

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number:14

Title of the paper- **DIFFUSION & ADOPTION**

Paper code- I -HS 410-14

Observations- From the above table, the overall category results indicated that the 68 percent of the respondents expressed excellent followed by very good (32%) for all the parameters whereas, for syllabus that carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and additional inputs were need to be improved after the each parameter data analysis in specific.

Recommendations:Majority of the students satisfied with all the parameters assessed and by noticing the observations made the department is recommended for inclusion of additional inputs and learning values.

Name of the Dept: Dept of Homescience

Semester: IV

Programme Code: HSC 410

Paper Number: 15

Title of the paper- TEXTILES SCIENCE

Paper code- I -HS 410-15

Observations-

From the above table, the overall category results indicated that the 76 percent of the respondents expressed excellent followed by very good (24%) for all the parameters whereas, Adequate lab facilities & hands on experience were need to be improved after the each parameter data analysis in specific.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made the department is recommended for inclusion of lab facilities & hands on experience

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 16A

Title of the paper- - Bakery and Confectionery

Paper code- I -HS 410-16A

Observations-

From the above table, the overall category results indicated that the 75 percent of the respondents expressed excellent and very good (32%) each followed by good (11%) for all the parameters whereas, satisfactory (11%) threshold below (16%) for syllabus that carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and lab facilities respectively when each of the parameter is observed in specific.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made the department is recommended to maintain the use of lab facilities etc.

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 17A

Title of the paper- - Training & Human Resource Development Paper
code- I -HS 410-17A

Observations-

From the above table, the overall category results indicated that the 73 percent of the respondents expressed excellent (40%) and very good (20%) each followed by good (13%) for all the parameters whereas, satisfactory and threshold below (27%) for depth & usefulness of the course content when each of the parameter is observed in-specific in this category of responses.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain the depth & usefulness of the course content.

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 18B

Title of the paper- - Early childhood care & education

Paper code- I -HS 410-18B

Observations-

From the above table, the overall category results indicated that the 89 percent of the respondents expressed excellent (59%) and very good (18%) each followed by good (12%) for all the parameters.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain the same.

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 19B

Title of the paper- - General psychology and counselling

Paper code- I -HS 410-19B

Observations-

From the above table, the overall category results indicated that the 77 percent of the respondents expressed excellent (47%) and very good (18%) and good (12%) each for all the parameter is observed. Whereas 24 percent of the respondents expressed satisfactory and below threshold level for additional inputs offered when each of the parameter is observed in specific.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to increase the additional inputs.

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 20C

Title of the paper- - Tie and Dye

Paper code- I -HS 410-20C

Observations-

From the above table, the overall category results indicated that the cent percent of the respondents expressed excellent(52%) and very good and good (24%) each for all the parameter is observed.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain the same.

Name of the Dept: Dept of Homescience

Semester: V

Programme Code: HSC 410

Paper Number: 21C

Title of the paper- - Retail marketing & merchandising

Paper code- I -HS 410-21C

Observations-

From the above table, the overall category results indicated that the 81 percent of the respondents expressed excellent (50%) and very good (31%) for all the parameter is observed. Whereas 19 percent of the respondents expressed satisfactory and below threshold level for syllabus carries learning values (in terms of Knowledge, Concepts, and Skills, when each of the parameter is observed.

Recommendations:

Majority of the students satisfied with all the parameters assessed and by noticing the observations made and the department is recommended to maintain for syllabus carries learning values (in terms of Knowledge, Concepts, Skills).

- Q5: Clarity and relevance of textual and reference material.
- Q6: Additional inputs offered.
- Q7: Quality of Internal Assessment.
- Q8: Use of Learning Management System/ICT for quality enhancement.
- Q9: Adequate lab facilities & hands on experience and Library facilities
- Q10: Applicability and relevance to real life situation and employability of the course
- Q11: Overall rating.

Paper: I

Title of the Course: Structure and Function of Invertebrates and Vertebrates

Semester: I

Observations

- About 50% of the students have rated **Structure and Function of Invertebrates and Vertebrates** as Very Good, 29% as Good for most of the parameters assessed.
- 6% students expressed Depth & usefulness of the course content and Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) as excellent.
- No student has expressed below the threshold rating.

Recommendations

Majority of the students are satisfied with all the above parameters. The department is recommended to look into the Depth & usefulness of the course content as none of the students were feeling more comfortable with it. So the department is recommended to notice the above observations and take necessary actions for the parameter.

Paper: II

Title of the Course: Biodiversity and Systematics

Semester: I

Observations

- About 52% of the students have rated **Biodiversity and Systematics** as Very Good & 26% rated as Good and 4% expressed as excellent for most of the parameters assessed.
- Overall 19% of the students have expressed satisfactory rating for the parameters assessed.
- 17% of the students have expressed below the threshold rating for the Provision of syllabus & announcement of course outcomes. Depth & usefulness of the course content

Recommendations

Majority of the students are satisfied with all the above parameters, a very few students have some issues with the Provision of syllabus & announcement of course outcomes, Comprehension level & understandability of the units in the course, Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) & Applicability and relevance to real life situation and employability of the course. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: III

Title of the Course: Developmental Biology

Semester: I

Observations

- About 47% of the students have rated **Developmental Biology** as Very Good & 26% rated as Good and 12% expressed as excellent for most of the parameters assessed.
- Overall 15% of the students have expressed satisfactory rating for the parameters assessed and none with below threshold.
- Most of the students have expressed Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) has to be improved

Recommendations

Majority of the students are satisfied with all the above parameters. The department is recommended to look into Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) and take necessary actions for the above parameters.

Paper: IV

Title of the Course: Molecular Cell Biology

Semester: I

Course Code:

- About 48% of the students have rated **Molecular Cell Biology** as Very Good & 25% rated as Good and 7% expressed as excellent for most of the parameters assessed.
- Overall 20% of the students have expressed satisfactory rating for the parameters assessed and none with below threshold.
- The students have expressed to improve in few parameters like Provision of syllabus & announcement of course outcomes, Comprehension level & understandability of the units in the course, Clarity and relevance of textual and reference material, Adequate lab facilities & hands on experience and Library facilities to reach excellent.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department can increase in providing Comprehension level, reference material and Adequate lab facilities & hands on experience and Library facilities. So the students can be more benefited by the course. Hence it is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: V

Title of the Course: Genetics and Evolution

Semester: II

Course Code:

Observations

- About 36% of the students have rated **Genetics and Evolution** as Very Good & 31% rated as Good and 13% expressed as excellent for most of the parameters assessed.
- Overall 18% of the students have expressed satisfactory rating for the parameters assessed.
- Only 2% of the students have expressed below the threshold rating for the Provision of syllabus & announcement of course outcomes, Use of Learning Management System/ICT for quality enhancement.

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the Provision of syllabus & announcement of course outcomes. Depth & usefulness of the course content Additional inputs offered Use of Learning Management System/ICT for quality enhancement. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: VI

Title of the Course: Comparative Animal Physiology

Semester: II

Course Code:

Observations

- About 42% of the students have rated **Comparative Animal Physiology** as Very Good & 35% rated as Good and 3% expressed as excellent for most of the parameters assessed.
- Overall 19% of the students have expressed satisfactory rating for the parameters assessed.
- Only 1% of the students have expressed below the threshold rating for the Depth & usefulness of the course content, Adequate lab facilities & hands on experience and Library facilities and Applicability and relevance to real life situation and employability of the course

Recommendations

- Majority of the students are satisfied with all the above parameters but need to improve in lab facilities & hands on experience as it is the most important factor for sciences. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: VII

Title of the Course: Principles of Ecology

Semester: II

Course Code:

Observations

- About 35% of the students have rated **Principles of Ecology** as Very Good & 29% rated as Good and 8% expressed as excellent for most of the parameters assessed.
- 33% of the students have expressed below the threshold rating for most of the parameters.

Recommendations

- Majority of the students were not satisfied with all the above parameters. Hence the department is recommended to notice the above observations and take necessary actions for the above parameters to the respective paper.

Paper: VIII

Title of the Course: Tools and Techniques in Biology

Semester: II

Course Code:

Observations

- About 42% of the students have rated **Tools and Techniques in Biology** as Good & 26% rated as Very Good and 8% expressed as excellent for most of the parameters assessed.
- Only 8% of the students have expressed below the threshold rating for the Depth & usefulness of the course content and 4% for Comprehension level & understandability of the units in the course, Syllabus carries learning values, Clarity and, Use of Learning Management System/ICT for quality enhancement. relevance of textual and reference material

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the Provision of syllabus & announcement of course outcomes. Comprehension level & understandability of the units in the course, Syllabus carries learning values, Use of Learning Management System/ICT for quality enhancement.

So the department is recommended to notice the above observations and take necessary actions for the above parameters. It is also recommended to provide clarity in the topics by providing relevance of textual and reference material.

FEEDBACK COMMITTEE REPORT – 2022- 23

FEEDBACK FORM ON COURSE:

Q1: Provision of syllabus & announcement of course outcomes *

Q2: Depth & usefulness of the course content.

Q3: Comprehension level & understandability of the units in the course *

Q4: Syllabus carries Learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) *

Q5: Clarity and relevance of textual and reference material *

Q6: Additional inputs offered *

Q7: Quality of Internal Assessment

Q8: Use of Learning Management System/ICT for quality enhancement *

Q9: Adequate lab facilities & hands on experience and library facilities*

Q10: Applicability and relevance to real life situation and employability of the course*

Q11. Overall rating *

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 1 (ZOO482-1)

Semester: I

Observations

- 55% of the students have rated the overall course of Animal diversity -Biology of Non-Chordates excellent or very Good (17 %) for most of the parameters
- 38 % rated excellent for additional inputs offered while 0 % rated it unsatisfactory for the same and another 0% rated it unsatisfactory regarding applicability of the course 0 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (55%) rated excellent about the overall course, 1% were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 2(ZOO402-2)

Semester: II

Observations

- 56% of the students have rated the overall course of Animal diversity –Biology of Chordates excellent or very Good (22 %) for most of the parameters
- 40 % rated excellent for additional inputs offered while 0% rated it unsatisfactory for the same and another 4% rated it unsatisfactory regarding applicability of the course, 2 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (56%) rated excellent about the overall course, 2 % were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 3(ZOO402-3)

Semester: III

Observations

- 43% of the students have rated the overall course of CELL BIOLOGY GENETICS EVOLUTION excellent or very Good (30 %) for most of the parameters
- 39 % rated excellent for additional inputs offered while 2 % rated it unsatisfactory for the same and another 2% rated it unsatisfactory regarding applicability of the course 4 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (43%) rated excellent about the overall course, 2 % were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 4(ZOO402-4)

Semester: IV

Observations

- 62% of the students have rated the overall course of Animal Physiology, Cellular Metabolism & Embryology excellent or very Good (21 %) for most of the parameters
- 50 % rated excellent for additional inputs offered while 9 % rated it unsatisfactory for the same and another 9% rated it unsatisfactory regarding applicability of the course 9 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (62%) rated excellent about the overall course, 6% were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 5(ZOO402-5)

Semester: V

Observations

- 52% of the students have rated the overall course of Immunology & Animal Biotechnology excellent or very Good (33 %) for most of the parameters
- 52 % rated excellent for additional inputs offered while 7 % rated it unsatisfactory for the same and another 10% rated it unsatisfactory regarding applicability of the course 10 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (52%) rated excellent about the overall course, 8 % were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 6(ZOO402-6A)

Semester: VI

Observations

- 43% of the students have rated the overall course of Sustainable Aquaculture excellent or very Good (29 %) for most of the parameters
- 38 % rated excellent for additional inputs offered while 1 % rated it unsatisfactory for the same and another 3% rated it unsatisfactory regarding applicability of the course 1% rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (43%) rated excellent about the overall course, 3 % were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

Department of Zoology

Programme: B.Sc

Title of the Course: ZOOLOGY 7(ZOO402-7A)

Semester: VII

Observations

- 38% of the students have rated the overall course of Post Harvesting Technology excellent or very Good (32 %) for most of the parameters
- 28 % rated excellent for additional inputs offered while 3 % rated it unsatisfactory for the same and another 1% rated it unsatisfactory regarding applicability of the course 4 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (38%) rated excellent about the overall course, 3 % were not satisfied with the course. The faculty is recommended to improve on all parameters.

The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory

FEEDBACK COMMITTEE REPORT – 2022 – 23

Department: Microbiology
Subject: Microbiology

Paper :-1

Semester: I – Introduction to microbiology and
microbial Diversity

Course Code: MB 404-1

OBSERVATIONS:

- From the over all result of the table, it is observed the 77% of the students have learnt **Introduction to microbiology and microbial diversity** as Excellent(37%), Very Good(40%) , Good (20%) for most of the parameters assessed.
- Over all 4% of the students have expressed satisfactory rating.
- 1% of the students have expressed not satisfactory which is negligible.

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

Department: Microbiology

Subject: Microbiology

Paper :-2

Semester: 2 – Microbial physiology and metabolism

Course Code: MB 404-2

OBSERVATIONS:

- From the over all result of the table, it is observed the 95% of the students have learnt Microbial physiology and metabolism as Excellent(39%), Very Good(30%) , Good (22%) for most of the parameters assessed.
- Over all 5% of the students have expressed satisfactory rating.

Recommendations:

Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

Department: Microbiology
Subject: Microbiology

Paper :-3

Semester: III – Microbial physiology and
metabolism

Course Code: MB 404-3

OBSERVATIONS:

- From the over all result of the table, it is observed the 88% of the students have rated **MOLECULAR BIOLOGY AND MICROBIAL GENETICS** as Excellent(35%) , Very Good (30%) & Good(23%)for most of the parameters assessed.
- Over all 8% of the students have expressed satisfactory rating.
- 4% of the students have expressed not satisfactory.

Recommendations :

Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are lesssatisfied.

Department: Microbiology

Subject : Microbiology

Semester : IV

Paper IV: Immunology and Medical microbiology

Course Code: MB 404-4

OBSERVATIONS:

- From the over all result of the table, it is observed the 96% of the students have rated **Immunology and Medicalmicrobiology** as Excellent(53%) , Very Good (29%) & Good(14%)for most of the parameters assessed.
- Over all 3% of the students have expressed satisfactory rating.
- 2% of the students have expressed not satisfactory which is negligible.

Recommendations :

Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

Department: Microbiology

Subject: Microbiology

Semester: IV

Paper V- Food Agriculture and Environmental microbiology

Course code - MB404-5

OBSERVATIONS:

- From the over all result of the table, it is observed the 96% of the students have rated **Food, agriculture and Environmental Microbiology** as Excellent(54%) , Very Good (34%) & Good(8%) for most of the parameters assessed.
- Over all 1% of the students have expressed satisfactory rating.
- 3% of the students have expressed not satisfactory.

Recommendations :

Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

Department: Microbiology
Subject: Microbiology
Semester:-V

Paper VI: Industrial Microbiology
Course Code: MB 404-6A

OBSERVATIONS:

- From the over all result of the table, it is observed the 82% of the students have rated **Industrial Microbiology** as Excellent(54%) , Very Good (28%) & Good(8%)for most of the parameters assessed.
- Over all 3% of the students have expressed satisfactory rating.
- 7% of the students have expressed not satisfactory.

Recommendations :

Majority of the respondents are satisfied with the course.

It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

Department: Microbiology

Subject: Microbiology

Semester:-V

Paper VII- Management of
Human Microbial disease and
diagnosis

Course Code: MB 404-7A

OBSERVATIONS:

- From the over all result of the table, it is observed the 91% of the students have learn **Management of Human Microbial diseases and Diagnosis** as Excellent(64%), Very Good(27%) , Good (10%) for most of the parameters assessed.
-
- Over all 0% of the students have expressed satisfactory rating.
- 0% of the students have expressed not satisfactory.

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to improve and maintain the same further also.

FEEDBACK COMMITTEE REPORT-2022-23

Department: Biochemistry

Subject: Biochemistry

Paper:-1 Biomolecules

Semester:I

Course Code:BC403-1

OBSERVATIONS:

- From the over all result of the table, it is observed the 91% of the students have learnt **Biomolecules** as Excellent(25%), Very Good(39%), Good(27%) for most of the parameters assessed.
- Overall 9% of the students have expressed either satisfactory/ not satisfactory rating for some of the parameters

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to observe and take necessary steps to improve the parameters where the respondents are less satisfied.

Department: Biochemistry
Subject: Biochemistry

Paper:-2 Bioenergetics and Bioanalytical Techniques

Semester: II

Course Code: BC403-2

OBSERVATIONS:

- From the over all result of the table, it is observed the 91% of the students have learnt **Bioenergetics and bioanalytical techniques** as Excellent(35%), VeryGood(41%), Good(23%) for most of the parameters assessed.
- Overall 1% of the students have expressed satisfactory rating which is negligible

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the same quality for the benefit of the students.

Department: Biochemistry
Subject: Biochemistry

Paper:-3 Enzymology and Intermediary metabolism

Semester:III

CourseCode:BC403-3

OBSERVATIONS:

- From the over all result of the table, it is observed the 99% of the students have learnt
- **Enzymology and Intermediary metabolism** as Excellent(35%), VeryGood (35%), Good(30%) for most of the parameters assessed.
- Overall 1% of the students have expressed satisfactory rating which is negligible

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the same quality further also

Department: Biochemistry
Subject: Biochemistry

Paper:-IV Molecular Biology and Microbiology
Semester:IV
CourseCode:BC403-4

OBSERVATIONS:

- From the over all result of the table, it is observed the 99% of the students have learnt **Molecular and microbiology** as Excellent(44%), VeryGood(55%), Good(1%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course.

None of the students have expressed satisfactory /below satisfactory rating which is a positive aspect of the course.

It is recommended to maintain the same quality for the benefit of the students.

Department: Biochemistry
Subject: Biochemistry

Paper:-V Immunology and Endocrinology
Semester:IV
CourseCode:BC403-5

OBSERVATIONS:

- From the over all result of the table, it is observed the 90% of the students have learnt "Immunology and Endocrinology" as Excellent(45%),VeryGood(39%),Good(10%)for most of the parameters assessed.
- Overall 5% of the students have expressed either satisfactory/ not satisfactory rating

Recommendations: Majority of the respondents are satisfied with the course.

It is recommended to maintain the same quality and try to improve the parameters where the respondents are less satisfied.

Department: Biochemistry
Subject: Biochemistry

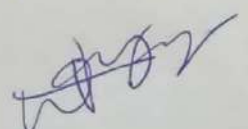

Paper:-VI Genetic Engineering and Bioinformatics
Semester: V
CourseCode:BC403-6

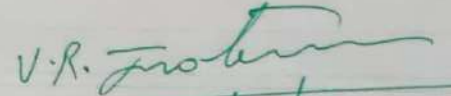

OBSERVATIONS:

- From the over all result of the table, it is observed the 90% of the students have learnt **GENETIC ENGINEERING AND BIOINFORMATICS** as Excellent(54%), VeryGood(28%), Good(8%) for most of the parameters assessed.
- Overall 10% of the students have expressed either satisfactory/ not satisfactory rating

Recommendations: Majority of the respondents are satisfied with the course

. It is recommended to maintain the quality and try to improve the parameters where the respondents are less satisfied.

FEEDBACK COMMITTEE REPORT – 2022-23

Department: Food Science

Paper: I

FEEDBACK FORM ON COURSE:

- Q1: Provision of syllabus & announcement of course outcomes.
- Q2: Depth & usefulness of the course content.
- Q3: Comprehension level & understandability of the units in the course.
- Q4: Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills).
- Q5: Clarity and relevance of textual and reference material.
- Q6: Additional inputs offered.
- Q7: Quality of Internal Assessment.
- Q8: Use of Learning Management System/ICT for quality enhancement.
- Q9: Adequate lab facilities & hands on experience and Library facilities
- Q10: Applicability and relevance to real life situation and employability of the course
- Q11: Overall rating.

Paper: I

Title of the Course: Fundamentals of Human Nutrition

Semester: I

Course Code: FS 408-1

Observations

- About 40% of the students have rated **Fundamentals of Human Nutrition** as Excellent, 20% as Very Good and 40% as Good for most of the parameters assessed.
- 67% students expressed Depth & usefulness of the course content and Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) as excellent.
- No student has expressed satisfactory and below the threshold rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department is recommended to look into the Comprehension level & understandability of the units in the course, provide Clarity and relevance of textual and reference material, Additional inputs, Adequate lab facilities & hands on experience and Library facilities so that students will be able to understand the applicability and relevance to real life situation and employability of the course and take necessary actions for the all above parameters.

Paper: II

Title of the Course: Elementary Human Physiology

Semester: II

Course Code: FS408-2

Observations

- About 60% of the students have rated **Elementary Human Physiology** as Good, 23.7% as Excellent for most of the parameters assessed.
- 8% students has expressed satisfactory.

Recommendations

Majority of the students are satisfied with all the above parameters. The department is recommended to look into the Additional inputs offered, Comprehension level & understandability of the units in the course Adequate lab facilities & hands on experience and Library facilities of the course and take necessary actions for the all above parameters.

Paper: III

Title of the Course: Food Processing and Preservation

Semester: III

Course Code: FS 408-3

Observations

- About 47% of the students have rated **Food Processing and Preservation** as Good & 23% rated as Very Good and 8% expressed as excellent for most of the parameters assessed.
- Overall 11% of the students have expressed satisfactory rating for the parameters assessed.
- 17% of the students have expressed below the threshold rating for the Provision of syllabus & announcement of course outcomes. Depth & usefulness of the course content

Recommendations

- Majority of the students are satisfied with all the above parameters, a very few students have some issues with the Provision of syllabus & announcement of course outcomes. Depth & usefulness of the course content Additional inputs offered Use of Learning Management System/ICT for quality enhancement.
So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Paper: IV

Title of the Course: Family Nutrition

Semester: IV

Course Code: FS408-4

Observations

- About 32% of the students have rated **Family Nutrition** as Excellent, 47% as Very Good and 16% as Good for most of the parameters assessed.
- 64% students expressed Syllabus carries learning values (in terms of Knowledge, Concepts, Skills, Logical thinking and Critical Thinking skills) as excellent.
- 1 to 2% students has expressed satisfactory and below the threshold rating.

Recommendations

Majority of the students are satisfied with all the above parameters. The department is recommended to look into the Depth & usefulness of the course content, Use of Learning Management System/ICT for quality enhancement, Applicability and relevance to real life situation and employability of the course and take necessary actions for the all above parameters.

Paper: V

Title of the Course: Community Nutrition

Semester: IV

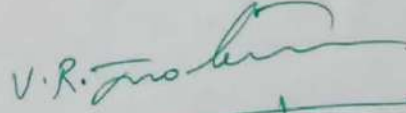

Course Code: FS408-5

Observations

- About 32% of the students have rated **Community Nutrition** as excellent & 47% rated as Very Good and 15% expressed as Good for most of the parameters assessed.
- 1-2% of the students have expressed satisfactory and below threshold rating for the parameters assessed.
- 42% of the students have expressed Quality of Internal Assessment, Adequate lab facilities & hands on experience and Library facilities were excellent

Recommendations

Majority of the students are satisfied with all the above parameters, a very few students have some issues with the Provision of syllabus & announcement of course outcomes, Comprehension level & understandability of the units in the course, Additional inputs offered. So the department is recommended to notice the above observations and take necessary actions for the above parameters.

Department of Political Science

Programme: B.A

Title of the Course: Introduction to Political Science (POL102-1)

Semester: I

Observations

- A majority of the students have rated the course Introduction to Political Science either excellent (38%) or very Good (38 %) for most of the parameters
- 50 % rated very good for additional inputs offered while 10% rated satisfactory for depth and usefulness of the course, clarity and relevance of textual and reference material and use of LMS and ICT.
- 10% of the students were rated satisfied with the level of usage of ICT, depth and usefulness of the content and clarity of textual and reference material.

Recommendations

- Though a majority (43%) rated excellent with regard to use of ICT and Library facilities, 3 % of the students were not satisfied with the level of usage of ICT, depth and usefulness of the content and clarity of textual and reference material, applicability and relevance.
- The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and it is recommended to keep up their good work.

Department of Political Science

Programme: B.A

Title of the Course: Basic Organs of the Government (POL102-2)

Semester: II

Observations

- A majority of the students have rated the course either excellent (63%) or very Good 22 %) for most of the parameters
- No one rated it not satisfactory but 8 % rated it satisfactory.

Recommendations

- The overall rating for the course seems good. Teachers must work towards the needs of students who were not that much satisfied.

Department of Political Science

Programme: B.A

Title of the Course: Indian Government and Politics (POL102-3)

Semester: III

Observations

- 39% of the students have rated the overall course of Political Science excellent or very Good (22 %) for most of the parameters
- 37 % rated excellent for additional inputs offered while 18 % rated it unsatisfactory for the same and another 18% rated it unsatisfactory regarding applicability of the course 20 % rated it not satisfactory for clarity and relevance of textual and reference material and use of LMS and ICT.

Recommendations

- Though a majority (39%) rated excellent about the overall course, 17 % were not satisfied with the course. The faculty is recommended to improve on all parameters.
- The department needs to cater to the diverse requirements of the students and try to increase the usage of ICT, make available the necessary textbooks and reference books. The overall performance of the department is good and the faculty are recommended to improve themselves in the areas where the performance is rated not satisfactory.

Department of Political Science

Programme: B.A

Title of the Course: Indian Political Process (POL102-4)

Semester: IV

Observations

- A majority of the students have rated the course Introduction to Political Science either excellent (61%) or very Good (18 %) for most of the parameters
- Overall rating for the course is 70 %.
- 6 percent of the students were not satisfied much for whom efforts must be taken up for improvement.

Recommendations

The teachers should keep up their good work and continue with the same spirit. Teachers should take care of the students who are not very well satisfied.

Department of Political Science

Programme: B.A

Title of the Course: Western Political Thought (POL102-5)

Semester: IV

Observations

- A majority of the students have rated the course Introduction to Political Science either excellent (64%) or very Good (14 %) for most of the parameters
- Overall rating for the course is 73 %.
- 6 percent of the students were not satisfied much for whom efforts must be taken up for improvement.

Recommendations

Teachers should keep up their good work.

Department of Political Science

Programme: B.A

Title of the Course: E-Governance (POL102-6B)

Semester: VI

Observations

- A majority of the students have rated the course either excellent (56%) or very Good 22 %) for most of the parameters
- However, 3 per cent of the students found the course not satisfactory or just satisfactory. Students were dissatisfied regarding adequate availability of adequate facilities and hands on experience and applicability.

Recommendations

- The overall rating for the course seems good. Teachers are recommended to keep up their good work and at the same time attend to the needs of the student who were a little dissatisfied.

Department of Political Science

Programme: B.A

Title of the Course: Local Administration (POL102-7B)

Semester: VI

Observations

- A majority of the students have rated the course either excellent (58%) or very Good (23 %) for most of the parameters
- 15 per cent of the students found the course Good. There is no negative rating.

Recommendations

- The overall rating for the course seems good. Teachers are recommended to keep up their good work.

Psychology Subject Course Feedback Observations & Recommendations

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-I

Semester: II- General Psychology-I
Course Code: PSY 110-I

Observations

- From the over all result of the table, it is observed that 91% of the students have learnt **General psychology** as Excellent (35%), Very Good (41%), Good (23%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students.

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-2

Semester: II- General Psychology-II
Course Code: PSY 110-2

Observations

- From the over all result of the table, it is observed that 91% of the students have learnt **General psychology-II** as Excellent (35%), Very Good (41%), Good (23%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations:

Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-3

Semester: III- Social Psychology
Course Code: PSY 110-3

Observations

- From the overall result of the table, it is observed that 91% of the students have learnt **Social psychology-I** as Excellent (44%), Very Good (55%), Good (1%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students.

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-4

Semester: IV- Social Psychology-II
Course Code: PSY 110-4

Observations

- From the overall result of the table, it is observed that 98% of the students have learnt **Social psychology-II** as Excellent (44%), Very Good (55%), Good (1%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students.

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-5

Semester: IV- Counselling Psychology
Course Code: PSY 110-5

Observations

- From the over all result of the table, it is observed that 100% of the students have learnt **Counselling psychology** as Excellent (35%), Very Good (59%), Good (6%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students.

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-6

Semester: VI- Abnormal Psychology
Course Code: PSY 110-6

Observations

- From the overall result of the table, it is observed that 97% of the students have learnt **Abnormal psychology** as Excellent (27%), Very Good (31%), Good (35%) for most of the parameters assessed.

- Overall 7% of the students have expressed satisfactory rating.

1% of the students have expressed not satisfactory which is negligible

Recommendations: Majority of the respondents are satisfied with the course. Some of the students have rated satisfactory rating for some of the parameters like additional inputs offered, Syllabus carries learning values and the department is recommended to concentrate on the above parameters where the respondents are less satisfied.

Department: BA (Economics, Political science, Psychology)
Subject: Psychology

Paper:-7

Semester: VI- Developmental Psychology
Course Code: PSY 110-7

Observations

- From the overall result of the table, it is observed that 91% of the students have learnt "Developmental Psychology" as Excellent (35%), Very Good (59%), Good (6%) for most of the parameters assessed.
- None of the students have expressed satisfactory/ below satisfactory rating.

Recommendations: Majority of the respondents are satisfied with the course. None of the students have expressed satisfactory/ below satisfactory rating which is a positive aspect of the course. It is recommended to maintain the same quality for the benefits of the students.

Department: Commerce

Semester- 3

Subject: **Advanced Accounting**

Semester: III

Observations

- 95% of the students have rated **Advanced Accounting** subject as Very Good (77%) & Good (18%) for most of the parameters assessed.
- Overall 4% of the students have expressed satisfactory rating.
- 1% of students has expressed below threshold rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce

Subject: **Business Statistics**

Semester: III

Observations

- 95% of the students have rated **Business Statistics** subject as Very Good (76%) & Good (19%) for most of the parameters assessed.
- Overall 4% of the students have expressed satisfactory rating.
- 1% of students has expressed below threshold rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce

Subject: **Banking Theory and Practice**

Semester: III

Observations

- 97% of the students have rated **Banking Theory and Practice** subject as Very Good (82%) & Good (15%) for most of the parameters assessed.
- Overall 3% of the students have expressed satisfactory rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce

Subject: **C & C++**

Semester: III

Observations

- 98% of the students have rated **C&C++** subject as Very Good (88%) & Good (10%) for most of the parameters assessed.
- Overall 1% of the students have expressed satisfactory rating.
- 1% of students has expressed below threshold rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **Marketing**
Semester: III

Observations

- 82% of the students have rated **Marketing** subject as Very Good (62%) & Good (20%) for most of the parameters assessed.
- Overall 14% of the students have expressed satisfactory rating.
- 4% of students has expressed below threshold rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **Income Tax - 1**
Semester: III

Observations

- 89% of the students have rated **Income Tax - 1** subject as Very Good (59%) & Good (30%) for most of the parameters assessed.
- Overall 5% of the students have expressed satisfactory rating.

Recommendations

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Semester- 4

Department: Commerce
Subject: Corporate Accounting
Semester: IV

Observations:

- Almost 62% of the students have rated the course Corporate Accounting as excellent (42%) and Very good (20%) for most of the parameters assessed.
- 26% of the students have rated the course Corporate Accounting as good (13%) and satisfactory (13%) for most of the parameters assessed.
- 12% of the students have rated the course corporate accounting as below threshold to the parameter "Additional inputs offered and overall rating".

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **COST & MANAGEMENT ACCOUNTING**
Semester: IV

Observations:

- Almost 64% of the students have rated the course Cost&Management Accounting as excellent (40%) and Very good (24%) for most of the parameters assessed.
- 24% of the students have rated the course Cost &Management Accounting as good (12%) and satisfactory (12%) for most of the parameters assessed.
- 12% of the students have rated the course Cost& Management accounting as below threshold to the parameter "Quality of Internal Assessment".

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **INCOME TAX**
Semester: IV

Observations:

- Almost 62% of the students have rated the course Income Tax as excellent (33%) and Very good (29%) for most of the parameters assessed.
- 26% of the students have rated the course Income Tax as good (16%) and satisfactory (10%) for most of the parameters assessed.
- 11% of the students have rated the course Income Tax as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **INCOME TAX -2**
Semester: IV

Observations:

- Almost 60% of the students have rated the course Income Tax-2 as excellent (42%) and Very good (18%) for most of the parameters assessed.
- 31% of the students have rated the course Income Tax-2 as good (10%) and satisfactory (21%) for most of the parameters assessed.
- 10% of the students have rated the course Income Tax-2 as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **INCOME TAX**
Semester: IV

Observations:

- Almost 62% of the students have rated the course Income Tax as excellent (33%) and Very good (29%) for most of the parameters assessed.
- 26% of the students have rated the course Income Tax as good (16%) and satisfactory (10%) for most of the parameters assessed.
- 11% of the students have rated the course Income Tax as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **INCOME TAX -2**
Semester: IV

Observations:

- Almost 60% of the students have rated the course Income Tax-2 as excellent (42%) and Very good (18%) for most of the parameters assessed.
- 31% of the students have rated the course Income Tax-2 as good (10%) and satisfactory (21%) for most of the parameters assessed.
- 10% of the students have rated the course Income Tax-2 as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **MARKETING**
Semester: IV

Observations:

- Almost 65% of the students have rated the course Marketing as excellent (49%) and Very good (16%) for most of the parameters assessed.
- 21% of the students have rated the course Marketing as good (3%) and satisfactory (18%) for most of the parameters assessed.
- 14% of the students have rated the course Marketing as below threshold to the parameter additional inputs offered.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **GOODS & SERVICE TAX**
Semester: IV

Observations:

- Almost 63% of the students have rated the course Goods& Service Tax as excellent (34%) and Very good (29%) for most of the parameters assessed.
- 25% of the students have rated the course Goods& Service Tax as good (16%) and satisfactory (9%) for most of the parameters assessed.
- 13% of the students have rated the course Goods& Service Tax as below threshold to the parameter applicability and relevance to real life situation and employability of the course.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **BUSINESS LAW**
Semester: IV

Observations:

- Almost 70% of the students have rated the course Business Law as excellent (47%) and Very good (23%) for most of the parameters assessed.
- 16% of the students have rated the course Business Law as good (7%) and satisfactory (9%) for most of the parameters assessed.
- 15% of the students have rated the course Business Law as below threshold to the parameter use of learning management system/ICT for quality enhancement.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce
Subject: **FINANCIAL INSTRUMENTS AND MARKETS**
Semester: IV

Observations:

- Almost 57% of the students have rated the course Financial Instruments and Markets as excellent (27%) and Very good (30%) for most of the parameters assessed.
- 32% of the students have rated the course Financial Instruments and Markets as good (15%) and satisfactory (17%) for most of the parameters assessed.
- 11% of the students have rated the course Financial Instruments and Markets as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce

Subject: **BUSINESS ENVIRONMENT**

Semester: IV

Observations:

- Almost 54% of the students have rated the course Business Environment as excellent (30%) and Very good (24%) for most of the parameters assessed.
- 31% of the students have rated the course Business Environment as good (15%) and satisfactory (16%) for most of the parameters assessed.
- 15% of the students have rated the course Business Environment as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.

Department: Commerce

Subject: **AUDITING**

Semester: IV

Observations:

- Almost 57% of the students have rated the course Business Environment as excellent (33%) and Very good (24%) for most of the parameters assessed.
- 27% of the students have rated the course Business Environment as good (16%) and satisfactory (11%) for most of the parameters assessed.
- 17% of the students have rated the course Business Environment as below threshold to the parameter overall rating.

Recommendations:

- Majority of the students are satisfied with all the above parameters. The department by noticing the above observations and is recommended that to maintain the quality and take necessary actions for all the above parameters.
