PRINCIPAL PERMISSION:**CIRCULAR:**

Objective: Prevention of Sexual Harassment at the work place (PoSH)

Brief description of the programme: Advocate Ms.Padmaja elaborately explained about the Act that support the working women at work place. She said the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 is a legislative act in India that seeks to protect women from sexual harassment at their place of work. It was passed by the Lok Sabha (the lower house of the Indian Parliament) on 3 September 2012. It was passed by the Rajya Sabha (the upper house of the Indian Parliament) on 26 February 2013. The Bill got the assent of the President on 23 April 2013. The Act came into force from 9 December 2013. This statute superseded the Vishaka Guidelines for Prevention Of Sexual Harassment (POSH) introduced by the Supreme Court (SC) of India. It was reported by the International Labour Organization that very few Indian employers were compliant to this statute. Most Indian employers have not implemented the law despite the legal requirement that any workplace with more than 10 employees need to implement it. According to a FICCI-EY November 2015 report, 36% of Indian companies and 25% among MNCs are not compliant with the Sexual Harassment Act, 2013. The government has threatened to take stern action against employers who fail to comply with this law.

The Prevention of Sexual Harassment (PoSH) at Workplace Act of India mandates every organisation to define their sexual harassment policies, prevention systems, procedures and service rules for its employees. Recent reports claim a rise in the number of cases registered for sexual harassments at the work places. Also the number of women in the corporate world reporting such severe incidents are increasing. Such incidents at the work place can be strenuous to the employees as well as to the entire organisation. By making sure that all the employees go through a necessary PoSH training which can ensure a safe working environment.

She also given the emergency toll free helpline numbers like 181,100,112,1091 for protection.

Attendance: 70 students & 10 Faculty

Outcome: Students are made aware about Prevention of Sexual Harassment at the work place
