### *Objectives :*

- To enhance sanitation conditions in slum areas by removing accumulated waste and disinfecting the surroundings with bleaching powder.
- To Reduce the risk of waterborne and vector-borne diseases by eliminating breeding grounds for mosquitoes, flies, and other disease vectors through cleaning and bleaching.
- To Educate slum dwellers about the importance of cleanliness and hygiene practices to prevent the spread of diseases and promote overall health and well-being.
- To Empower slum dwellers by involving them in the cleaning process, fostering a sense of ownership and responsibility towards maintaining cleanliness in their community.

### *Brief note :*

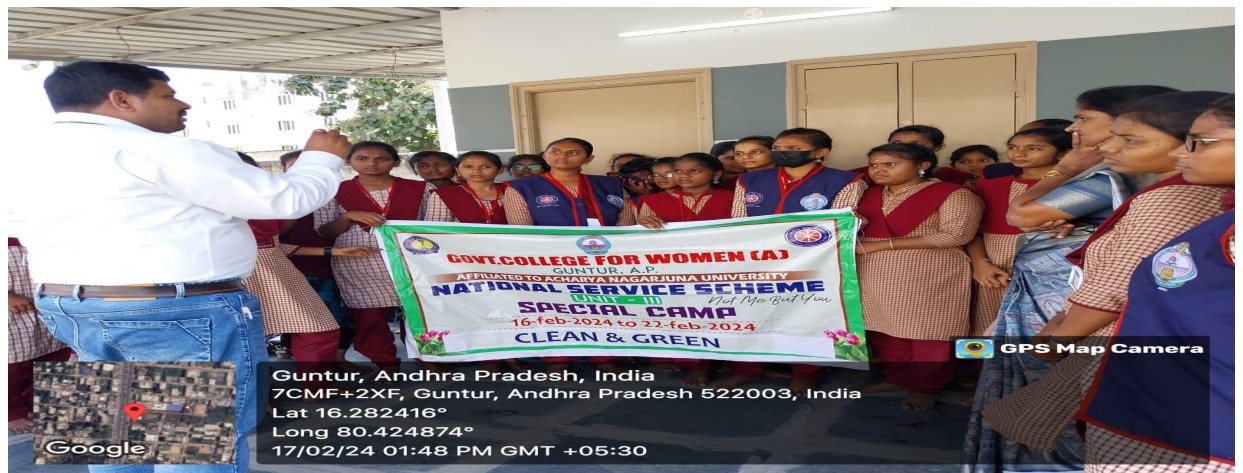

National Service Scheme UNIT - III ( NSS )of Government Women's Degree College in local Krishna Babu Colony, Gayathri Nagar, Bhanu Prasad Colony and Sasank Goyal Colony in Guntur, Unit-3 as part of special camp from 16th to 22nd of this month for a week and various topics and service programs will be organized according to College Principal Dr. V. R. Jyotsna Kumari informed. K. Subbarathnamma, National Service Scheme Program Officer informed that as part of

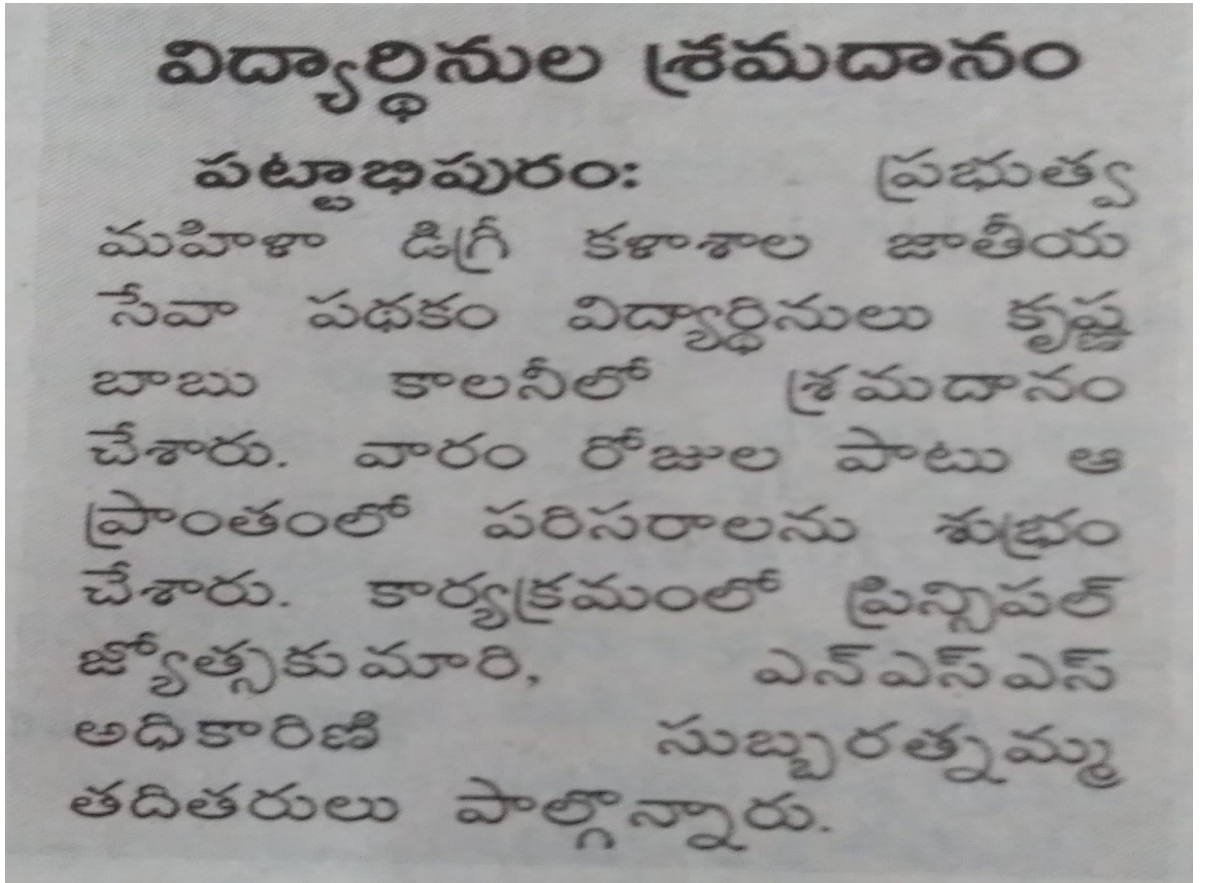

the program on the second day, bleaching powder was poured in front of every house in the 21st ward of Krishna Babu Colony and the surrounding areas of the colony were cleaned. Apart from that, NSS students along with the staff of the 76th Secretariat went to every house and collected about the health condition of everyone in the house. The parents have been informed that the injections like vaccinations to be given to children should be used on time. This camp was visited by Guntur District National Service Scheme Coordinator Dr. J. V. Sudhir Kumar given the message that each N S S Volunteer should work with dedication and perform service activities without expecting results. In the program, 21st Ward Corporator Shri. K. Guravaiah, Area Hospital Doctor K. Parimala, Hospital CO Smt. A. Bhagyamma, A N M. Aruna and Secretariat staff were participated and also T J P S Degree college NSS unit - 2 Programme officer Dr. Jayaseela garu visited and encourage the students.

### *Outcome :*

- Assess the level of cleanliness achieved in the targeted slum areas compared to the initial condition before the activity. This can include the reduction of visible waste, debris, and other unsanitary conditions.
- Measure the extent to which hygiene awareness and practices have been promoted among slum dwellers. This can involve conducting surveys or interviews to gauge changes in behavior related to waste disposal, personal hygiene, and sanitation practice.
- Evaluate the impact of the cleaning and bleaching activity on reducing the risk of waterborne and vector-borne diseases in the slum areas. This can be done by monitoring disease incidence rates before and after the intervention.
- Evaluate the environmental impact of the activity, including the reduction of pollution and contamination in the slum areas. This can involve measuring changes in air and water quality, as well as the overall improvement in environmental health indicators.
