Activity 1 : **Experts Committee Meet to Prevent Sexual Crime against Children and Women**

Objective : Spreading awareness among stakeholders about sexual crime against children and women.

Procedure : Government has constituted the state level task force for the safety of children and women under the Chairmanship of Chief Secretary by composition of various line departments. As per the instructions of the Government Special Commissioner, WD & CW su+,

ggested creation of expert committee to examine and suggest measures for effective implementation of various legislations for safety and security of children and women in A.P State and to give recommendations on further policy changes or steps required in this regard. Hence an expert committee was deputed by the Government to interact with staff and students to take necessary action in this regard.

From our college the Convenor, WEC Dr. G. Swarna Latha and 3 students attended the meeting held at Andhra Loyola College, Vijayawada on 13-07-2018.

The members of the committee shared their views with students and staff and suggested some measures to prevent crimes against children and women. On the other hand students and staff shared their social problems and different views regarding crime.

Outcome: Students and Staff developed awareness about sexual crimes and the measures to prevent them. We are confident enough to say everyone has the fundamental right to work in a safe and conducive work environment that enable all without fear of prejudice, gender bias and sexual harassment, where employer and employee respect each others integrity and dignity, their privacy, their right to equality and right to opportunity in the work place.
