१. प्रस्तावना (Introduction)
२. उद्देश्य (objectives)
३. कार्य-प्रणाली (Methodology)

Introduction

Suicides :

Suicides is an optional activity that people take away their own life. Mental instability, Bi-polar instability, Drunken state, schizophrenia, an imbalance of personality are the causes.

There are about 8,00,000 people are committing suicide in the world every year and 1,34,000 among those are alone from India.

Murders :

To kill some body or physically take away of some body's life can be called as 'Murder'.

The reasons of such crime called murder are very clear, Property and Illegal liasons with ladies/gents are main reasons for murder. Broken values are the main causes.

1. As per the survey more than 80% of ladies are victims in these crimes.
2. 88% of the people believe that broken values are the causes for murders.
3. To our surprise very less people (47%) accepted that media like television is the effective cause of the crime.
4. Even law and order system was also pointed out by less people (56%).
5. To our surprise 60% of the people told that criminals know about the punishments and they are knowingly involve in these crimes.
6. 68% of people believe that criminals know about the loopholes of the law. Hence they are opting the way of crimes.

Features:

1. Family disorganisation (Burglam)
2. Kidnapping/abductions.
3. No alternations
4. Emotional status
5. Stress
6. Distress
7. Inequality
8. Poverty... so on

This is financially as well as low thinking.

Hypothesis :

1. Position of women in male domination society.
2. Pitiabale condition of women in the transforming ages.
1. There are several reasons behind the misbehavior towards Women folk which are strong personality, financial equality and unanticipated freedom got by the women. As per National Crime Records Bureau survey the rate of crimes towards ladies is more than the increase of population at universal level.
2. The changes took place in social, political and family conditions made separate the women from the state where there were earlier. The immediate solution for any problem made gents to look the confidence. This caused them to murder or committing suicide.
3. Helpless condition of finance, weak personality, self struggle, mental instabililty, lack of alternation, family disorganization, illegal family relation ships, property are the reasons for doing crimes.

Objectives :

1. The objective of this study is to study the nature of the criminals who do not have mental imbalance and the major reasons behind them and find solutions.
2. Awareness of legal system and law and order system.
3. To focus on people who lead helpless life.
4. To focus on the situations lead to disturb the moral and ethical values.

Methodology :

1. We have been entrusted with the project.
2. Self study of the subject by seeking in news paper clippings has been done.
3. Other objectives have been obtained by means of questionnaire.
4. Legal rules have been studied through books and internet.
5. Complete shape has been given to the project.

प्रस्तावना : Introduction

आत्महत्याएँ :

आत्मघात या आत्म हत्या एक ऐसी ऐच्छिक क्रिया है जिसमें अपने आप के प्राण लिये जाते हैं। मानसिक असंतुलन, बाई-पोलर असंतुलन, मधुमेह, स्कीजोफीनिया व्यक्तित्व का असंतुलन आदि इसके कारण हैं।

पूरे ८००००० लोग प्रति वर्ष इस क्रिया के भागी हो रहे हैं जिनमें १,३५,००० लोग स्वयं भारत के निवासी हैं।

हत्याएँ :

किसी अन्य को शारीरिक रूप से प्राण जाने तक हानि पहुँचाना 'हत्या' कहलाती है।

हत्या अपराधों के कारण बहुत ही स्पष्ट हैं। मुख्य कारण - जायदाद और अन्य स्त्रियों के साथ अवैध संबंधों के कारण तो यह है कि नैतिक मूल्यों का विघटन।

1. 80% की मान्यता है कि ज्यादातर स्त्रियाँ ही इन अपराधों के शिकार बन रही हैं।
2. 88% लोगों की मान्यता है कि इसका मुख्य कारण नैतिक मूल्यों का विघटन।
3. आश्चर्य की बात है कि दूरदर्शन जैसे माध्यमों को छोड़ ही कम लोगों ने (47% लोगों ने) दोषी माना।
4. कानूनी व्यवस्था को भी कम लोगों ने दोष दिया। (56%)
5. और भी आश्चर्यजनक बात है कि 60% लोगों की मान्यता है अपराधी इन अपराधों के कानूनी संद से अभिन्न हैं। वे जानबूझ कर इन अपराधों में उलझ रहे हैं।
6. 68% लोगों की मान्यता है कि अपराधी कानूनी व्यवस्था में जो बचाव रास्ते (loop holes) से अच्छे परिचित हैं। इसी लिए धैर्य के साथ अपराध का रास्ता अपना रहे हैं।

कारण : Factors

१. पारिवारिक विघटन (बर्गलरी),
 २. अपहरण (किडनापिंग)
 ३. विकल्प हीनता की स्थिति No alteration
 ४. उद्वेग की स्थिति Emotional Status
 ५. दबाव Stress
 ६. निराशा की स्थिति आदि के साथ distress
 ७. असमानता Inequality
 ८. आर्थिक दुःस्थिति Financially poor.....आदि
- ये कारण बाह्य भी आंतरिक भी

परिकल्पना : Hypothesis

1. पितृसत्ता की व्यवस्था में स्त्रियों की स्थिति
2. सन्धि युग में गुजरनेवाली स्त्रियों की दुरिस्थिति
3. स्त्रियों के प्रति होनेवाले अत्याचारों के पीछे के कई कारण हैं जो कि उसका निरसता व्यक्तित्व, ज्ञान, आर्थिक स्वतंत्रता साथ ही अप्रत्याशित स्वेच्छा। National Crime Records Bureau के अनुसार विश्व की जनसंख्या की बढ़ती का अनुपात स्त्रियों के ऊपर होनेवाले अत्याचारों के अनुपात से कम है।
4. सामाजिक, राजनीतिक और पारिवारिक वातावरण में आए परिवर्तन व्यक्ति को जिस स्थिति में वह है उससे उसे आलग कर रहे हैं। वे हर समस्या तत्काल पाने की चाहत में अपना धैर्य खो रहे हैं। इसलिए वे अपने आप को ऐसे अपराधों में उलझा रहे हैं जो अवैध हैं जैसे हत्या और आत्महत्या।
5. आर्थिक असहायता, व्यक्तित्व हीनता, आम संघर्ष, मानसिक असंतुलन, विकल्प हीनता, पारिवारिक विघटन अवैध पारिवारिक संबंध, जायदाद आदि इन अपराधों के कारण बने हैं।

उद्देश्य (Objectives)

मानसिक संतुलन खोकर अपने आप को अपराधों के पंजे में अलझानेवाले लोगों की अपराधी मानसिकता के पीछे कान करनेवाले मूल कारणों का अध्ययन करना और उनके समाधान ढूँढना प्रस्तुत अध्ययन को मुख्य उद्देश्य है।

गौण उद्देश्य : न्याय व्यवस्था और कानूनी सुरक्षा से अनभिज्ञ है। असहाय जीवाँ व्यतीत करनेवालों पर प्रकाश डालना गौण उद्देश्य रहा।

कार्य - प्रणाली : (Methodology)

1. हमें परियोजना का कार्य सौंपा गया।
2. समाचार पत्रों के कर्तव्यों से विषय सा स्वयं अध्ययन किया।
3. प्रश्नोत्तरी द्वारा जन्मों के उद्देश्यों का संवचन किया।
4. प्रश्नोत्तरी का समेकन किया।
5. कानूनी नियमों का अध्ययन कर उन्हें पुस्तकों और इंटरनेट के जरिए प्राप्त किया।
6. परियोजना कार्य का रूप निर्धारण किया।

FEED-BACK OF STUDENTS

It gave us immense pleasure to do project on "Suicides and Murders". Really we feel so sorry to see the real life situations leading to suicides and murders. We thought we should motivate the society by giving them counselling in order to stop suicides. We felt the moral and ethical back ground is lapsed in these cases. So we thought ourselves to build up our character as we have to practice before preach and also to build up our confidence level. We felt very great-ful when doing this project. Thanks for allotting this project.
