

## Criterion 2

### 2.2.1: Learning Methods for Slow and Advanced learners

Govt. College for Women (A), has implemented the following Student Learning methodologies for Slow and Advanced learning level students for the development of Students both in academic & co-curricular and extracurricular aspects.

- Slow learning methodologies :
  - Bridge courses
  - Remedial courses
  - Ward counseling
  - Assignments
- Advanced learning methodologies :
  - Organizing Exhibitions / Workshops
  - Media productions
  - Student Seminar
  - Group discussions & Brain Storming
  - Quizzes
  - Poster presentations
  - Video presentations
  - Power point presentations
  - Peer teaching
  - Essay writing & Elocution Competitions
  - Online and off line Certificate courses
  - DTP subject related Calendar release
  - workshop
  - Student study Project works
  - Question bank preparation
- Slow and Advanced learning methodologies
  - DEEKSHARAMBH-Induction programme
  - Role Plays
  - Field Visits
  - JAM
  - Flipped class rooms
  - Observation / Celebration of Important Days
  - Guest lectures
  - Awareness programmes

Adapting these methodologies helped students to transform from being passive to active in the process of learning. It boosts up students confidence levels and encourages independence in self-learning. Thus, the college promoting Learner-Autonomy

Below are evidences for different student Learning methods.

## 1. Learning methodologies for Slow Learners

### Bridge course

All departments conduct Bridge courses to identify slow and advanced learners

Eg: Dept. of Electronics conducted Bridge course From 16/02/21 to 26/02/21

All departments conduct Remedial courses for the slow learners

Ward counseling

## 2. Learning methodologies for Advanced students
