**Awareness programme on Anti-Ragging**

**27.09.2024.**

**REPORT:**

Date : 27.09.2024

Time : 3.30 P.M to 5.00 P.M

Participants: GRC & ICC Committee Members, Students

No. of students: 680

No. of faculty: 10

Other participants: 2 - Motivational Speaker, Psychologist Dr. Pratyusha Subba Rao, STEP CEO Smt. Radhika.

**Objective:** Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of ‘familiarization’ and an ‘initiation into the real world’ for young college-going students. Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

Ragging inside and outside the campus is illegal and is a punishable criminal offense under law. Government College for Women (A), Guntur, encourage students to attend Counselling through various committees established to prevent ragging.

**Principal Dr. V.R. Jyotsna Kumari** Explained to the students - Anti-ragging measures are essential to ensure that educational institutions are safe and

supportive spaces for all students, and that students can pursue their academic goals without fear of harassment, intimidation, or violence. The need for anti-ragging measures arises from the fact that ragging is a harmful and violent practice that can have severe physical and psychological consequences for the victims.

**Brief description of the programme:** Dr. Pratyusha Subbarao explained to the students - Ragging is a serious offense in India and there are strict laws in place to deter it. The primary law is the Prohibition of Ragging Act, 2011, which defines ragging as any act that causes or could cause:

- \* Teasing
- \* Treating or handling a student with rudeness
- \* Doing any act that affects the dignity of a student

The Act prohibits ragging both within and outside educational institutions. The punishment for ragging can be up to two years in prison and a fine of ₹10,000. In addition to the Act, several states have their own anti-ragging laws.

Rules on Ragging punishable offences. Anti-ragging programs in colleges aim to create a safe and welcoming environment for all students, especially new freshmen. These programs typically involve:

- \* Awareness campaigns: Educating students about what constitutes ragging and its negative consequences.
- \* Establishment of Anti-Ragging Committees: These committees address ragging incidents and take disciplinary action against perpetrators.
- \* 24/7 Helpline: Providing a platform for students to report ragging incidents anonymously.

If you'd like to know more about your college's specific anti-ragging program, you can check their website or reach out to their student support services.

**STEP CEO Smt. Radhika** what is ragging, what kind of punishments will be given to those who commit ragging and what actions will be taken against them.

Anti-ragging committee Convener & members Dr. S. Divija Devi, Smt. M. Kamala Karuna, Dr. V. Bhavani, Dr. R. Anuradha participated in this programme.
